

Bendemeer Concert Band Limelight: 22 May Esplanade Guide

Description

default watermark

Bendemeer Secondary School Concert Band performs at Esplanade Concert Hall on Friday, 22 May 2026, in the Limelight series.

The concert gives students a formal stage and gives families, alumni and young music listeners an affordable way to hear a school ensemble in one of Singaporeâ??s main concert venues.

What To Know

The Limelight series is built around school performing groups, so the appeal is community as much as repertoire. It is a good pick for readers who want something local, accessible and indoors before the weekend starts.

As with other Esplanade school concerts, tickets are meant to be bought through authorised channels.

Planning Notes

Arrive early if you are attending with a school group or collecting tickets. Esplanade is easiest by City Hall or Esplanade MRT, with food options nearby before or after the show.
