Every day starts the same way. Registration runs from 7.15am, team managers and referees are briefed at 8.10am and group matches start at 8.30am. The deckâ??s match-day timelines have the 8U day ending at 1.10pm, 10U at 2.15pm, 12U at 1pm and 16U at 1.30pm, after knockouts and prize presentations. Its overview block, by contrast, reserves 8am to 4pm each day.

The three Mixed categories play 5-a-side, 10 minutes a match with no interval. The 16U Boys play 7-a-side, 12 minutes a match. Teams play a round-robin first and the top four in each group go through to the knockouts; drawn knockout ties go to a sudden-death penalty kick.

For families heading down, a few match-day rules from the deck:

- Teams should arrive at least 60 minutes before kick-off, and players need a student pass, passport or NRIC for verification.
- Shin pads are compulsory, and turf boots are preferred because the pitches are artificial grass.
- Only team managers and coaches may stand in the technical area, and parents and supporters are not allowed on the field of play.
- All participants should complete the Get Active Questionnaire first and not play if unwell.

Fixtures are on the tournamentâ??s live page.

ActiveSG Kids Football Carnival, 5 December

On Saturday 5 December, the ActiveSG Kids Football Carnival is listed for Kallang, with no exact venue given. Children pay a one-time entrance fee for football booths, skill challenges, mini-games and matches, and get a football passport to stamp, with prizes for finishing it.

The ActiveSG Circle listing gives two different time windows, 9am to 6pm in the description and 9am to 3pm in the event panel, and shows a fee of â??20â?• without a currency. Its Register Now button goes to the Instagram page of StrykeZone FA, so check the times and the fee with the organiser before you go.
