

Ele Yan Singapore 2026: Ticket Prices And Indoor Stadium Concert Notes

Description

default watermark

Ele Yan Singapore 2026 brings the MOMENTn 2026 World Tour to Singapore Indoor Stadium on 6 June. This is a full arena booking, so fans should treat it as a major Mandopop concert night rather than a small theatre showcase.

The useful detail is the price spread. Tickets run from S$178 to S$338 before booking fee, which puts the show in premium arena territory. The higher tiers are for fans who care about proximity, stage view and VIP items; the lower tiers still get the full Indoor Stadium production without the same spend.

Show Details

- Date: Saturday, 6 June 2026.
- Time: 8pm.
- Venue: Singapore Indoor Stadium.
- Ticket prices: S$338, S$298, S$268, S$238, S$198 and S$178 before booking fee.
- Booking channels: Ticketmaster Singapore online and hotline at +65 6018 7645.

VIP Benefits

The VIP package includes one exclusive printed autographed postcard, a commemorative VIP laminate and lanyard, and a limited-edition VIP gift item. That is useful mainly for committed fans; casual listeners may prefer to choose by sightline and budget.

Singapore Indoor Stadium is beside Stadium MRT and Kallang Wave Mall, which helps with pre-show meals. The pinch point is post-show transport. If you are leaving immediately after the encore, expect the Stadium station and ride-hailing pickup areas to be crowded; walking towards Kallang or Mountbatten can be calmer if you do not mind the extra time.

Booking Notes

Use the Live Nation Singapore event page for presale details and ticket links. Mastercard presale and Live Nation presale use different eligibility steps, so settle the account setup before the sale window opens.
