The Converse Black Friday buy 1 get 1 free sale in Singapore runs from 26 to 30 November 2026, so there are four days left. Add two participating pairs to your cart and the lower-priced one comes free. It is on converse.sg and in stores, and prices on the promo page run from S$39 for the Essential Slide to S$179 for the Chuck 70 Gore Tex.

How the Converse Black Friday buy 1 get 1 free offer works

The mechanics are simple, and the terms are printed on Converseâ??s own promo page. The offer applies only to the products listed on that page, which showed 293 results when we checked on 27 November.

- Add 2 items to your cart and the lower-priced item is free.
- Add 6 items and the 3 cheapest are free.
- Maximum 6 items per transaction.
- The discount appears on your cart page, so no promo code is needed.
- It cannot be combined with other offers.
- Promotion period: 26 to 30 November 2026.

Converseâ??s terms only spell out the 2-item and 6-item cases, so check your cart total before you pay if you are buying an odd number of pairs.

Prices on the promo page

These are the listed online prices before the free pair comes off. Pick your two pairs from this range and the cheaper one is yours for nothing.

- Converse Essential Slide: S$39
- Chuck Taylor All Star: S$79 to S$109, depending on the design
- Converse x KARINA Chuck 70 X: S$99 to S$119
- Chuck Taylor Throwback: S$109 to S$119
- Run Star Trainer Ballet Flat: S$109
- Chuck 70 Canvas: S$119 to S$129
- Chuck Taylor All Star Lift: S$129
- Louie Lopez Pro 2: S$139
- Run Star Crush Double Lace: S$149
- Chuck 70 Gore Tex: S$179

Here is the maths. A S$129 Chuck 70 Canvas plus a S$79 Chuck Taylor All Star costs S$129, saving S$79. Two S$119 pairs cost S$119 in total, which is 50 per cent off. Six pairs at S$119 each would be S$714 at full price and S$357 with the three cheapest free.

Getting the best value out of the offer

The free item is always the lower-priced one, so the saving is biggest when your two pairs cost about the same. Buying a S$179 Gore Tex pair with a S$39 Slide saves only S$39, whereas two S$119 Chuck 70s save S$119. If you are shopping for two people, match the prices.

It also works well for gifts. Two pairs priced at S$119 each cost S$119 together, which works out to S$59.50 a pair if you split the bill with a friend. The Essential Slide at S$39 is the one to avoid pairing with a pricey shoe, because it becomes the free item.

Stock is the real limit. Colours and sizes on the promo page can sell out quickly over the last weekend, and the in-store range may differ from online. Use the store locator on converse.sg to check the nearest shop before you head down.

Online terms to know before you check out

The checkout is timed, and Converse says so on its promo page. You have 30 minutes from entering the website to complete checkout, after which you are returned to the waiting room. Orders must also be paid within 30 minutes or they are cancelled automatically.

The page also notes that bundled promo items cannot be refunded, so choose your size carefully. Read the full terms on the page before you pay, as they can be updated.

If you are comparing other sales this weekend, our round-up of every official Black Friday deal in Singapore is here, and Isetanâ??s vouchers and beauty bonus are covered in this post. Prices and stock were checked on 27 November 2026 and can change.
