Entries for the Hong Kah North CSN Badminton Tournament close at 6pm on Tuesday 1 December, and with 13 categories at S$35 per player in each, it is the largest of three community badminton competitions on OnePA this December. Sengkang North runs a S$60 team event on 6 December, and Ayer Rajah holds singles, doubles and mixed doubles on 19 December.

All three are run by local Community Sports Networks. Here is what each costs, who can play and how the matches are scored.

Hong Kah North: 13 categories, 12 and 13 December

The tournament runs at Jurong East Sport Centre, 21 Jurong East Street 31, from Saturday 12 to Sunday 13 December 2026. The rules set play from 8am to 5pm, while the event listing gives 9am to 5pm, so plan around an 8am start until your play schedule arrives. It is open to Hong Kah North residents and the public, provided you are a Singapore citizen or permanent resident or hold a student or work pass, and in doubles at least one player must be a citizen or PR. Full-time national players from 2024 to 2026, national youth players and suspended players are not eligible.

There are 13 categories, including open singles and doubles, combined-age doubles, Parent and Child (13 and below, and above 13) and Husband and Wife. You can enter up to four, paying S$35 per player for each. Places are counted per player, and as of 28 November several categories were filling up: Mixed Doubles Open and Parent and Child (13 and below) each had six player places left, enough for three pairs.

- Format: single knockout, one game to 30 points, changing ends at 15
- From the semi-finals: best of three games to 21, no deuce
- Draw: 7 December at Hong Kah North CC, with play schedules sent by 8 December
- Prizes: medals for the top four in each category

Read the cancellation terms before paying. There is no refund unless the organisers cancel the event, and a category with fewer than 16 entries can be scrapped. Players stay on court after their match to line judge the next one, and must bring photo ID.

Sengkang North: S$60 a team, 6 December

This is a team competition at the Sengkang Community Hub multi-purpose hall, 2 Sengkang Square, near Sengkang MRT, on Sunday 6 December. Only eight teams get in, at S$60 per team, and each tie is played as Menâ??s Open Doubles, then Mixed Doubles, then Menâ??s Veteran Doubles. Veterans

must be 45 or older, born in 1981 or earlier.

Matches are best of three games to 15 points. At 14-all, the first side two points clear wins the game, capped at 21. The top four teams win vouchers worth S$200, S$150, S$100 and S$50, and every player gets a door gift. Teams also take turns supplying umpires and a line judge. Sign-ups are at go.gov.sg/skncsnbadminton26.

Play starts at 9am. The finish is given as 7pm in one place and 6pm in another, so keep the evening free.

Ayer Rajah: three sessions, 19 December

Ayer Rajah CSNâ??s tournament is at Ayer Rajah CC, 150 Pandan Gardens, on Saturday 19 December. Menâ??s Singles Open runs from 10.30am to 3.30pm, Menâ??s Doubles Open from 2.30pm to 6.30pm and Mixed Doubles Open from 6.30pm to 10pm. Registration closes on 2 December. No entry fee or ticket categories have been published yet, so check with the CC before planning around it. The nearest MRT station is Jurong East.

None of the three sets a skill grade. Hong Kah North keeps out full-time national players, and Sengkangâ??s veteran doubles gives players aged 45 and over a rubber of their own.
