

Guns Nâ?? Roses in Singapore on 25 November: doors at 5pm, with a 7pm event time at the National Stadium

Description

default watermark

Guns Nâ?? Roses play the National Stadium on Wednesday 25 November. The Kallang, which runs the stadium, lists doors at 5pm and an event time of 7pm. Promoter Live Nation lists the show at 8pm. Neither says whether the 7pm time covers an opening act, so check the time on your ticket.

No support act or running time has been published.

A one-night stop on the 2026 world tour

The band added Singapore in March as a one-night-only show, part of a 2026 world tour that also takes in Mexico, Brazil, Europe, North America and Australia. Tickets are sold through Ticketmaster, the authorised seller for the show.

Live Nation also sells three VIP packages:

- Itâ??s So Easy Ultimate VIP: a premium seated ticket, a behind-the-scenes look at the production, an on-stage group photo and the 90-minute The Live Era pre-show lounge

- Youâ??re So Fine VIP Lounge: a premium seated ticket and the same pre-show lounge, with drinks, canapÃ©s and a DJ
- Donâ??t Cry VIP: a seated ticket, a VIP laminate, limited edition merchandise and one drink coupon

The band members do not take part in the photo opportunities. Neither Live Nation nor The Kallang has published prices for the packages or the seated categories, and how many seats remain is unclear.

Entry rules at the stadium

The Kallangâ??s event policy for the night is strict on bags and devices. Printed or electronic tickets are needed for entry, and security screening takes place at the gates, so an early arrival is sensible.

Not allowed inside:

- outside food and drinks
- bags larger than 35cm x 20cm x 30cm, the size that fits under a seat
- iPads and tablets, chairs and stools, and non-collapsible umbrellas
- noise makers, and fan boards larger than A3
- vapes and cameras, including video cameras, zoom lenses and GoPros
- selfie sticks, gimbals, tripods and monopods

Water bottles are allowed if they are not glass and are emptied before entry, and food and drinks are on sale inside. Live streaming is prohibited. Children below six and infants in arms are not admitted, and everyone aged six and above needs a ticket.

Tickets and getting there

The venue warns that resold tickets will not be honoured and holders will be turned away, so Ticketmaster is the only safe place to buy. Stadium MRT station on the Circle Line is the nearest stop.
