How the Isetan Black Friday sale vouchers work

These are promotion vouchers, which means you earn them on a purchase and spend them later. They are not a discount taken off at the till. Here is what the newsletter lists.

Promotion	Dates	How you qualify
10% promotion voucher, storewide	26 to 29 Nov	With every S$100 nett purchase. Excludes Beauty, Bedding Gallery and Supermarket.
20% Beauty Bonus voucher	26 and 27 Nov	Minimum S$200 nett on cosmetics and fragrances, then on each subsequent S$100 nett.
10% Beauty Bonus voucher	28 and 29 Nov	With S$100 nett on cosmetics and fragrances.

A quick example: S$400 of cosmetics on 26 November should earn you more in vouchers than the same basket on 28 November. If you plan to buy a big skincare set, the first two days are the kiasu choice.

Beauty sets and the fine print

Beauty counters have set prices as well as gifts with purchase. Kiehlâ??s Deep Pore Cleansing and Soothing Set is S$135 (worth S$161), and the Lancome Genifique Ultimate Serum 115ml set is S$360 (worth S$619). Estee Lauderâ??s Glow Renewal Routine is S$273 (worth S$438), though that one is limited to the first 20 customers.

- Stocks are limited, and several gifts are capped to the first 10, 20 or 30 customers.
- The newsletter states no further Isetan discount points apply to the listed prices.
- The voucher terms, including expiry, are in Isetanâ??s own terms and conditions, so check them at the counter.
- Prices and details can change, and in a discrepancy the in-store information prevails.
