

MetaSprint Duathlon 2027: run-bike-run at the F1 Village on 28 February, with Discovery entries listed at S$97 before GST until 25 January

### Description

default watermark

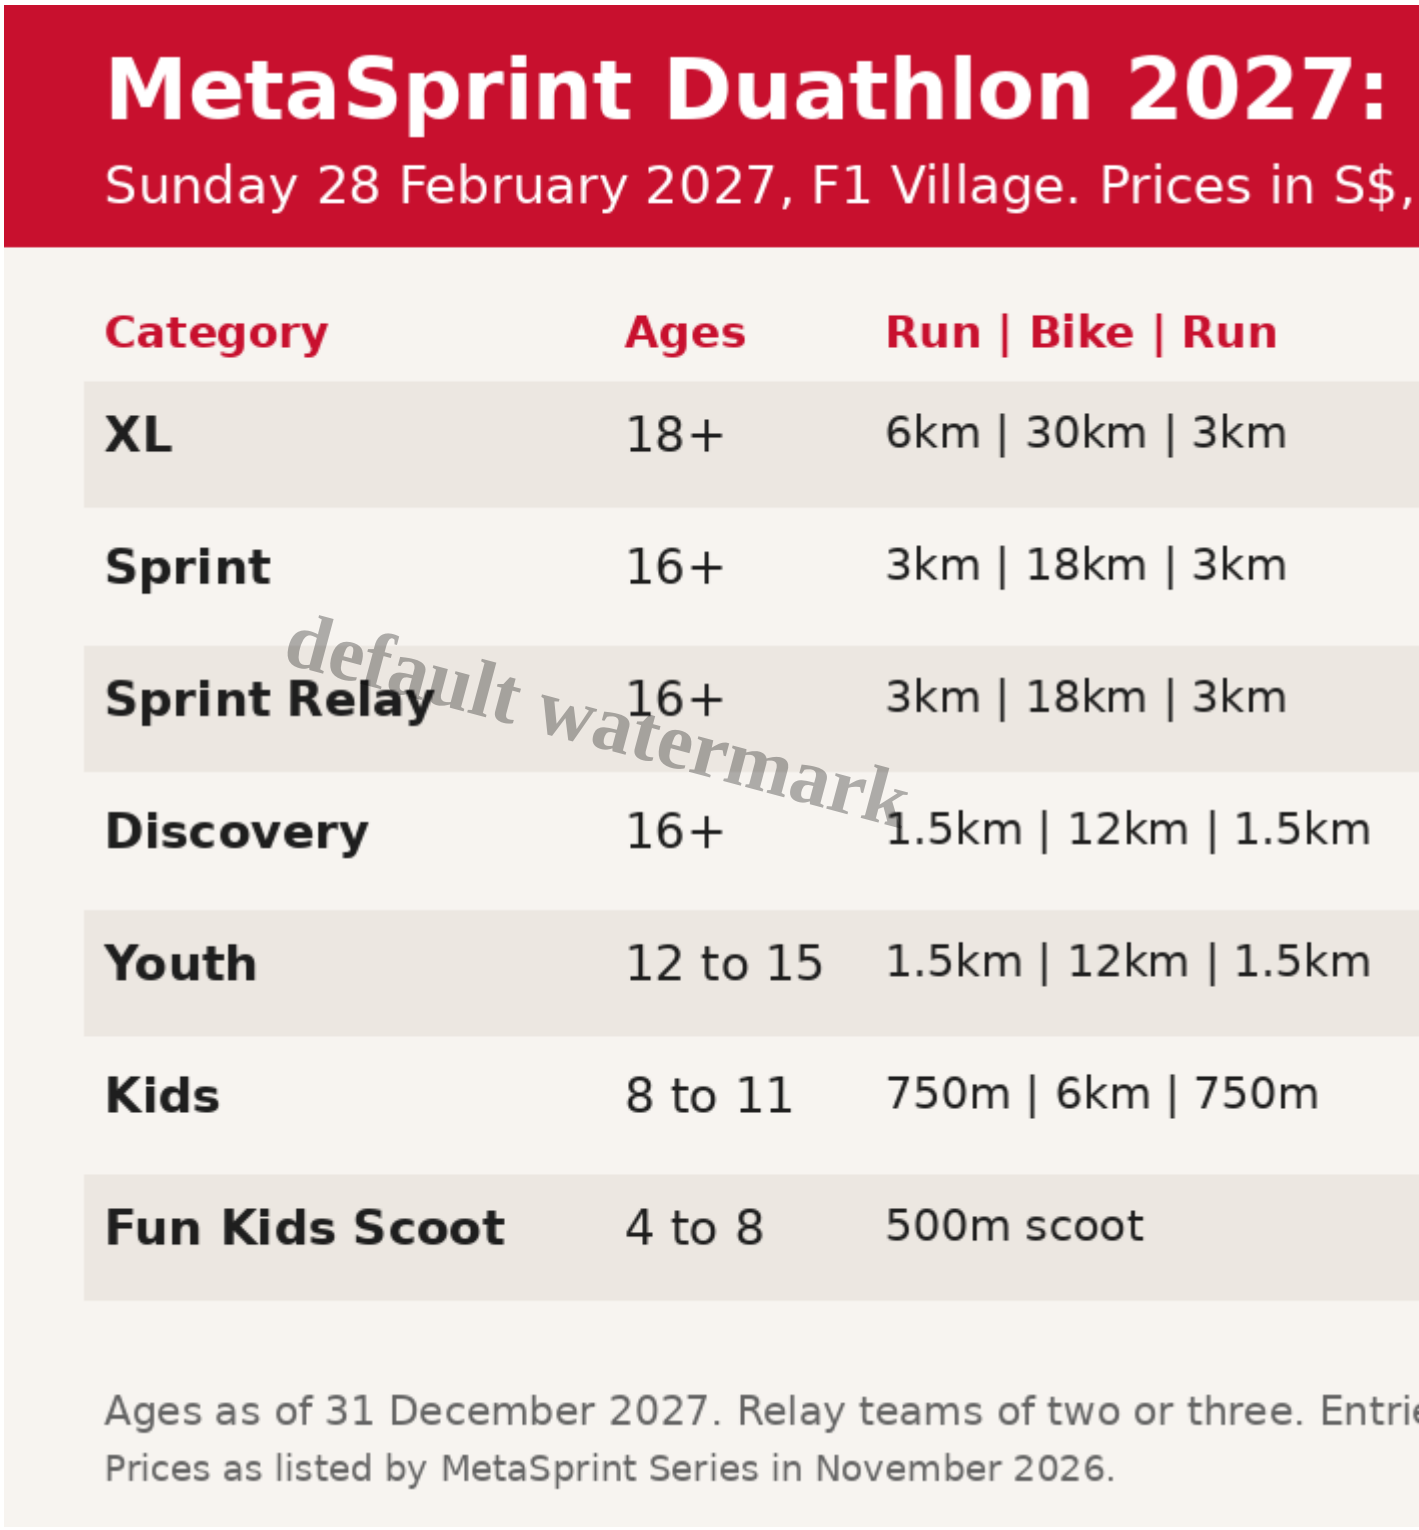
The MetaSprint Series Duathlon returns on Sunday 28 February 2027 at the F1 Village, and the shortest adult race, Discovery, is listed at S$97 before 9 per cent GST until 25 January. Discovery is a 1.5km run, a 12km ride and another 1.5km run, open to anyone aged 16 and above, and there is no qualifying standard: you only need to be fit, healthy and able to finish.

## Distances, ages and prices

Ages are counted as of 31 December 2027. Normal rates run from 14 October 2026 to 25 January 2027, then final rates apply from 26 January to 16 February. All prices are listed before 9 per cent GST.

- XL, 18 and over: 6km run, 30km ride, 3km run. S$190, then S$215
- Sprint, 16 and over: 3km, 18km, 3km. S$126, then S$140
- Sprint Relay, 16 and over: same distances, for teams of two or three. S$185, then S$205
- Discovery, 16 and over: 1.5km, 12km, 1.5km. S$97, then S$108
- Youth, 12 to 15: 1.5km, 12km, 1.5km. S$84, then S$92
- Kids, 8 to 11: 750m, 6km, 750m. S$65, then S$70
- Fun Kids Super Scoot, 4 to 8: a 500m scoot. S$36, then S$45

Registration can also close early if the race fills up. Every entry includes a Day-of-Race licence from the Triathlon Association of Singapore, with personal accident cover on race day, and all but Fun Kids pick two race-pack items from a T-shirt or Velcro patch and a mesh bag or bucket hat.



## MetaSprint Duathlon 2027:

Sunday 28 February 2027, F1 Village. Prices in S$,

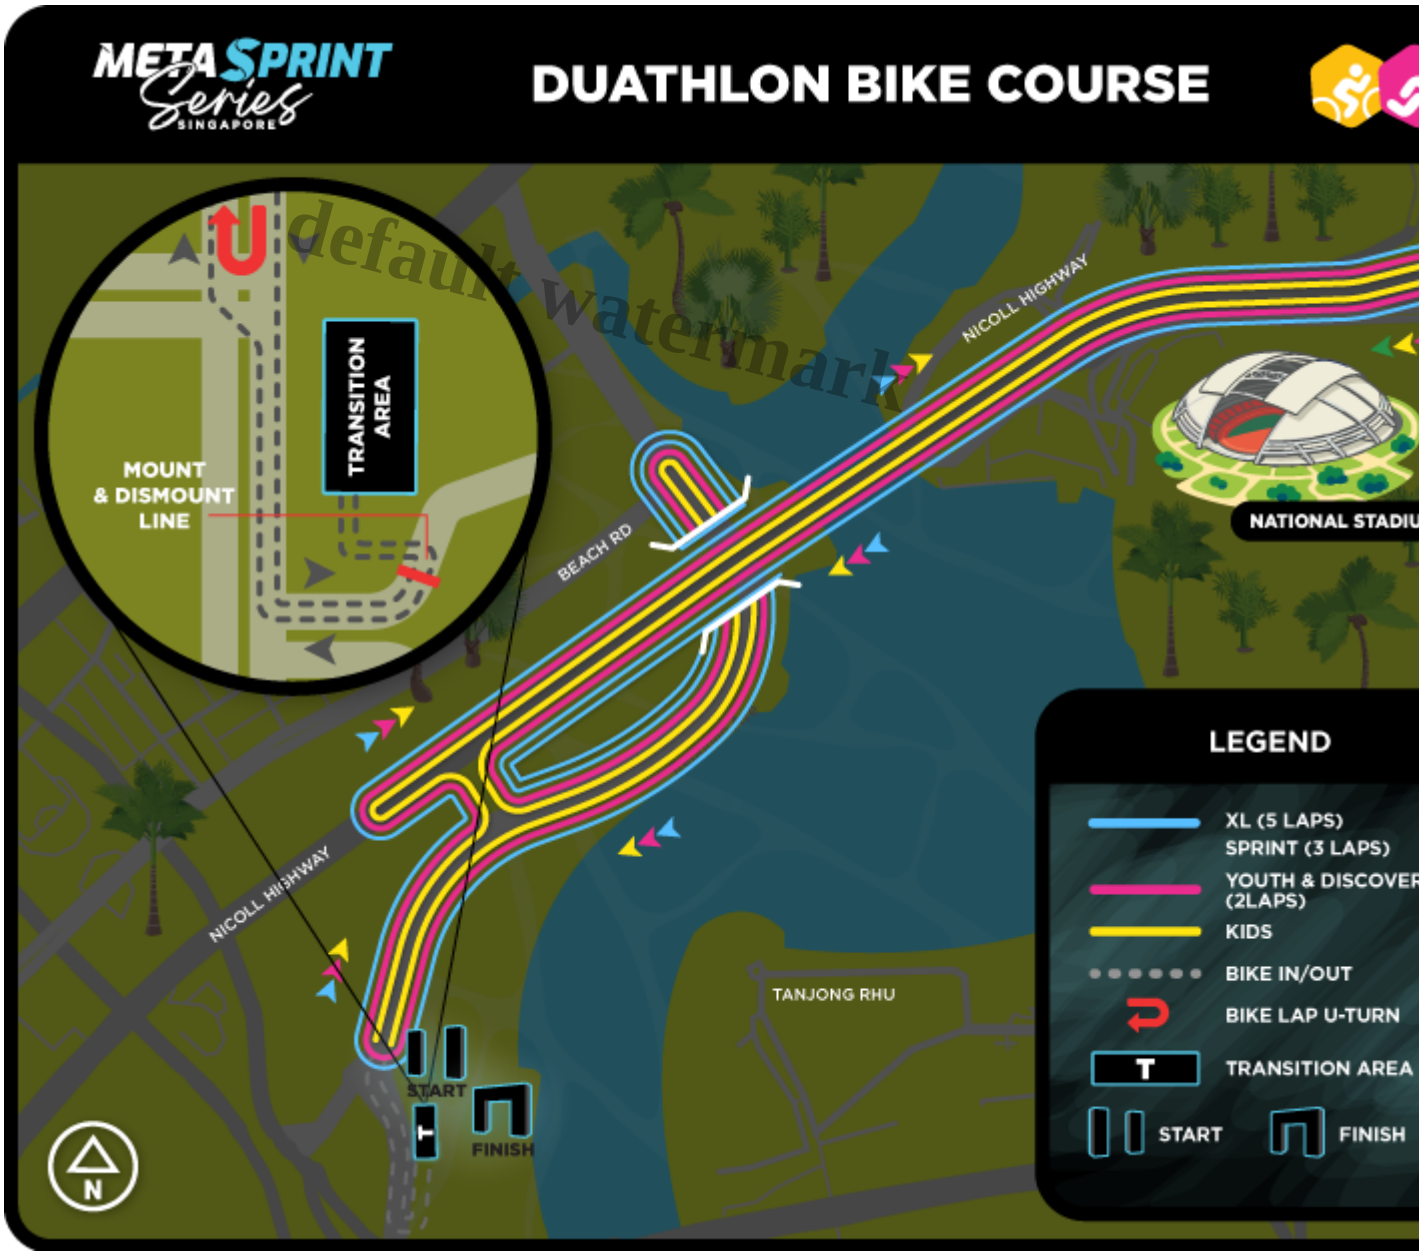
## The bike rules first-timers trip over

You bring your own bike, or rent one. City Scoot has hybrid and mountain bikes for duathlon race day, collected from its store on race morning, and BikeRental.cc can deliver. Aerobars and time-trial bikes

are allowed. Tandem, mono-wheel, recumbent, fixed-gear, motorised and e-bikes are not, and kidsâ?? bikes cannot have stabilisers.

- It is a non-drafting race. Stay 5m behind the rider in front unless you are passing, and finish a pass within 20 seconds.
- Keep left and overtake on the right.
- Buckle your helmet before you take the bike off the rack and keep it on until the bike is racked again.
- Count your own laps. Nobody does it for you.
- No headphones at any point, and no cycling bare-chested.



The 2026 duathlon bike course, shown for reference; the 2027 maps have not been published. Image: MetaSprint Series

The 2027 course maps are not out yet. On the 2026 course, the bike laps ran along Nicoll Highway towards the National Stadium, with XL riders doing five laps, Sprint three and Youth and Discovery two. The race is billed as a shaded run and a fully closed bike course, with views of Marina Reservoir, the National Stadium and the Singapore Flyer.

## Race morning and the fine print

Race packs are collected on site on race day, so arrive at least an hour before your start. As a guide, the 2026 schedule opened the event at 5am, started XL at 5.50am, Sprint at 7am and Discovery at 8.10am.

Read this part before paying. Entries are strictly non-refundable and individual entries cannot be transferred, and there is no registration on the day. Relay teams cannot swap members or roles once confirmed. Light to moderate rain will not stop the race, but lightning nearby can see it modified, postponed or cancelled.

If a full duathlon feels like a lot, Discovery is the honest entry point, and the series also has an aquathlon on 24 January and a triathlon on 21 March, with a 3-in-1 package for all three.
