

Open Systems 3 At SAM: Online Art About Power And Infrastructure

Description

default watermark

Open Systems 3: Prototypes for Alternative Power is Singapore Art Museumâ??s online exhibition running from 30 April to 25 October 2026.

What The Exhibition Looks At

The exhibition gathers artworks, documentation and writing around the limits of technological systems and alternative ways of thinking about energy, dependence and control.

How To Approach It

Treat it like a short reading-and-viewing session rather than background scrolling. Pick one work, read the accompanying text, then move to the next.

The exhibition is available through Singapore Art Museumâ??s Open Systems page.

For more Singapore reads, see our guides to recent COE results, current arts events and SkillsFuture support.
