Razer Cyber Weekend 2026 Singapore is live on Razer.com, and the public gets in from 23 November. The campaign runs from 16 to 30 November 2026, with Razer Members shopping first from 16 to 22 November. Free shipping applies on all orders, and you can pick free gifts from a S$129 spend.

Razer Cyber Weekend 2026 Singapore: the dates that matter

Razer states the schedule plainly in its FAQ. Members got early access from 16 to 22 November, and everyone else shops from 23 to 30 November. That gives you one week to compare prices, so no need to panic-buy on day one.

The deals page also lets you filter by discount tier: up to 20%, 30%, 40% or 50%. Final prices show at checkout, so add to cart first before you judge.

Free gifts and free shipping

Cart upgrades are the easy win here. Free shipping applies on all orders, and the gift picks scale with your spend.

- Spend S$129 and choose 1 gift
- Spend S$259 and choose 2 gifts
- Gift choices include the Razer Keycap Keychain, Chroma Keycap Keychain, Charging Cable (USB Type A to USB Type C), L33T Pack, Cable Tie, Team Razer Keychain V2, Cable Winder, Keyboard Clip-On Phone Holder and Rogue Backpack V3 Miniature Edition

Gifts are chosen at the cart and are while stocks last. Razer Gold PINs, Razer Gift Cards, THX Spatial Audio and the Razer Virtual Ring Light do not count toward the promotion.

Razer Silver and member extras

If you are logged in with a RazerID, qualifying Razer.com purchases earn bonus Razer Silver, applied automatically at checkout. Silver is issued 20 days after delivery.

- S$125 spend: 10,000 Razer Silver
- S$630 spend: 40,000 Razer Silver

- S$1,900 spend: 80,000 Razer Silver
- Link your RazerID to Discord and a minimum S$125 spend also earns 10,000 Razer Silver

Members are also told they can redeem and stack eligible Razer.com promo codes, with the page mentioning codes at 30% off, subject to each codeâ??s own terms. Sign up to the Razer newsletter and you unlock a S$15 code, though a minimum spend is needed to use it.

The big-ticket picks

The headline member deal is 38% off the Razer Iskur V2 NewGen gaming chair. It is marked Razer Members only, so create a RazerID before you check out. Razer does not show the discounted SGD price on the campaign page, so confirm the final figure in your cart.

Laptop shoppers get a sweetener too. Razer advertises S$500 in games and software with a Razer Blade. Separately, the page lists S$64 Razer Store Credit if you order the Razer Soma Pro during its launch week.

Categories covered include gaming laptops and accessories, mice and mats, keyboards, headsets and audio, content creation gear, controllers, gaming chairs and PC components. Bundles and Only At Razer items sit in their own sections if you want pairs that are priced together.

Check before you pay

One thing to flag: the terms at the bottom of the campaign page still say some offers, including the gift promotion and bonus Razer Silver, are valid till 22 November 2026 PST. The FAQ above it says public access runs to 30 November. That reads like a leftover from the member window, but screenshot your cart and confirm the gift and Silver lines show up before you pay.

Also remember that returns can void a promo code, according to the terms. If you plan to try gear and send it back, factor that in.

Compare against what is already live elsewhere too. We have the COURTS, Castlery and Secretlab sales covered if a gaming chair is on your list, plus the Samsung Black Friday offers for monitors and TVs and the Harvey Norman Black Friday sale running until 26 November.
