If you hold a POSB Everyday Card or a PAssion POSB Debit Card, you can get 50% off Mandai Wildlife Reserve tickets for adult and child admission until 31 December 2026. The catch is a monthly quota, so the offer can run out well before month end. Here is how to claim it, and what to do if it is sold out today.

What 50% off Mandai Wildlife Reserve tickets covers

Per the POSB promotion page, the discount applies to admission at these Mandai attractions:

- Singapore Zoo
- Bird Paradise
- River Wonders
- Night Safari
- Exploria
- Curiosity Cove

The Peopleâ??s Association page for PAssion members lists the same line-up and adds Rainforest Wild Adventure, with a promotion period of 1 May 2026 to 31 December 2026. PAssion debit cardholders also get 10% off selected shops in the reserve when they pay with the card, according to that page.

Promo codes and how to claim

You must enter a code on the Mandai ticketing landing page before you pay. Without it, the half-price rate will not apply.

1. Go to the Mandai Wildlife Reserve ticketing page from the POSB promotion page (link below).
2. Enter POSBPED if you are paying with a POSB Everyday Card, or PADEBIT if you are paying with a PAssion POSB Debit Card.
3. Choose Adult or Child admission only, then pick your date and time. You must pre-book.
4. Pay with the same eligible card.

The discount covers Adult and Child admission tickets only. The River Wonders ticket does not include the Amazon River Quest boat ride, which is sold separately.

The monthly cap, and when it refreshes

This is the part that trips people up. POSBâ??s terms limit the offer to the first 200 Adult and 100 Child admission tickets per attraction, per month, while stocks last. The Peopleâ??s Association page words it as the first 200 transactions per month, so treat the lower, tighter reading as your planning guide.

The promotion refreshes on the 1st of every month at about 10am, and POSB asks you to allow some time for it to load. If the code does not work today, 10 November, try again on 1 December. Set a reminder for the 10am refresh, because the best dates tend to go first.

Dates you cannot use it

Tickets can be used on all days, subject to pre-booking availability, except on the eve of and during Public Holidays. That rules out the long weekend around Christmas, so plan a school-holiday visit for a normal weekday or weekend instead. Check the Mandai calendar for exact public holiday dates before you pick a slot.

- Valid for one entry per stated attraction and date only.
- Tickets are non-transferable and non-refundable, and only the ticket holder may use them.
- The offer cannot be combined with other promotions, offers, vouchers, rebates or privileges, unless stated otherwise.
- Mandai Wildlife Group can amend, cancel or postpone the programme at its sole discretion.

Making the most of half-price admission

Half-price tickets stretch furthest at the park with the highest sticker price for your group. A family of four can add up quickly at any one attraction, so prioritise the one your kids care about most and book that first. For a night out, the Night Safari tram ride is a good fit for younger children who tire easily.

Bird Paradise is a strong pick if you want a daytime outing with shade and walk-through aviaries. Our Zoolympix guide covers the 10 animal challenges running at Mandai from 7 November, which pair neatly with a discounted ticket. If your plans are still open, our weekend roundup has other ideas, and the Wild Wild Wet 1-for-1 deal on 11 November is a wetter option for a hot day.

Quick checklist before you pay

1. Confirm you are using a POSB Everyday Card or PAssion POSB Debit Card.
2. Have the right code ready: POSBPED or PADEBIT.
3. Pick a date that is not a public holiday or its eve.
4. Book each attraction separately, since the quota counts per attraction.
5. If the code fails, retry after 10am on 1 December.

Terms and quotas can change, so read the current conditions on the POSB page and Mandaiâ??s booking page before you pay. Official details: POSB x Mandai Wildlife Reserve and Peopleâ??s Association PAssion deal.
