

## 67 On Scotts Opens At Shaw Centre With All-Day Dining And Champagne Bar

### Description

Orchard Road has a new all-day dining stop to keep on the list. 67 on Scotts is open at Shaw Centre, bringing a polished restaurant-and-bar format to 1 Scotts Road, close to the Isetan side of the mall and a short walk from Orchard MRT.

The restaurant is built for more than one kind of visit: weekday lunches, pre-movie dinners, Champagne at the bar, or a late meal after shopping. That flexibility is the main draw, especially in a stretch of Orchard where dining options can split quickly between fast casual and occasion restaurants.

### What The Restaurant Is Serving

67 on Scotts positions itself around all-day dining, with plated dishes, Champagne, wine and cocktails sharing the same space. The visuals released by the restaurant lean into a brasserie-style room rather than a grab-and-go cafe, so expect a seated meal instead of a quick kiosk stop.

The useful detail for diners is the service span. The restaurant lists opening hours from 11.30am to midnight, giving Orchard visitors a late-night option that is not limited to dessert or bar snacks.

67 on Scotts sits at 1 Scotts Road in Shaw Centre.

## How To Plan A Visit

The easiest approach is to use it as an Orchard dinner anchor: book ahead for peak evenings, especially if you want the bar rather than a standard table. Lunch looks more flexible for nearby office workers, shoppers and weekday catch-ups.

Because the restaurant is in Shaw Centre, it also works with Isetan, Lido and Scotts Square plans. If you are heading down with guests, Orchard MRT and the Scotts Road taxi stands make it easier than driving into the area during dinner rush.
