A new weekday lunch buffet at Jiale Kopitiam, located at Block 28 Kelantan Road in Jalan Besar, is drawing attention with its affordable $7 all-you-can-eat deal.

Buffet Details

The buffet is available Monday to Friday, from 10am to 2pm, and offers a rotating menu of 10 dishes. Diners can enjoy a hearty variety of local favourites such as fried rice, noodles, sweet and sour fish, curry chicken, sambal squid, claypot tofu, stir-fried vegetables, fruits, and desserts.

Guests are welcome to go for multiple rounds, with the reminder to avoid food wastage.

What to Expect

The buffet concept is managed by an experienced local caterer who also operates another coffee shop at Upper Paya Lebar Road. The Jalan Besar outlet recently reopened after renovations in late October and now features three main sections â?? a mookata stall, a buffet counter, and a drinks stall.

The spacious layout and nearby car park make it a comfortable and convenient dining spot for both residents and visitors.

Evening Mookata Buffet

In addition to the lunch buffet, Jiale Kopitiam also offers an all-you-can-eat mookata buffet in the evenings, priced at $19.90 per person.
