Description

ActiveSG Cup is a practical June-holiday option for families with children already playing team sports. The 2026 June window covers 3Ã?3 basketball, football, volleyball and water polo, with competitions split by age group and venue.

The useful part is that the formats are not all the same. Some sports are single June tournaments, while the 19U basketball and volleyball categories use a series format that can carry ranking points across later editions.

June Sports And Venues

The 3Ã?3 basketball competition lists 12U, 14U, 16U and 19U boys and girls categories. Games are scheduled for 13 to 16 June 2026 at OCBC Arena Hall 1, with a second weekend on 20 and 21 June at *SCAPE Singapore.

Football is scheduled from 8 to 12 June at Bedok Stadium for 8U mixed, 10U mixed, and 12U boys and girls teams. Volleyball runs from 15 to 21 June at Bukit Canberra Sport Hall, while water polo is set for 2 to 5 June at Our Tampines Hub Swimming Pool.

ActiveSG Cup is built around age-group team competition and development.

Registration Details To Notice

- Basketball 19U teams can register for the June 2026, November 2026 and March 2027 series, or enter a single tournament while keeping the same team name and team manager or captain.
- Football team-list changes are not permitted after registration closes on 30 May 2026.
- Volleyball 19U teams have a two-series pass covering June and November 2026.
- Water polo lists 10U mixed, 12U mixed, 15U boys and 21U girls categories, with a general technical meeting link dated 25 May.

Who Should Look At It

This is most relevant for school teams, academy players and community groups that want competition exposure without waiting for a full school-season calendar. Parents should pay attention to team composition, age category and briefing dates before committing.

For a broader family activity calendar, LBRD has also covered active outings such as the Ola Eco Paddle Sentosa sessions and the Fort Siloso free day tours.
