

ActiveSG Multi-Sport June Programme 2026: Fees, Dates And Venues

Description

default watermark

ActiveSG Multi-Sport June Programme 2026 gives parents a structured way to keep children moving during the school holidays. The June programme runs from 4 to 19 June across Delta Sport Centre, Bedok, Jurong East Sport Centre and Sengkang Sport Centre.

The listed fees start at S$36 for Singapore Citizen and PR children aged 5 to 9, and S$54 for Singapore Citizen and PR children aged 10 to 12. For others, the listed fees are S$51 for ages 5 to 9 and S$77 for ages 10 to 12.

What Children Can Try

The schedule varies by venue and age group, with sports such as hockey, football, basketball and tennis appearing in the listed sessions. ActiveSG Credits can be used to offset 60% of programme fees.

The practical benefit is exposure. Children who are not ready to commit to one CCA-style sport can try a compact mix, while parents get a scheduled holiday activity that is not screen-based.

SCHOOL ENGAGEMENT

The programme is designed for school-age children during the June holidays.

Dates Parents Should Watch

Registration opened on 2 May 2026. ActiveSG lists different closing dates by venue and session, including 28 May for several early-June Jurong East, Sengkang and Bedok sessions, and 4 June or 10 June for selected Jurong East sessions.

Check the exact venue table before booking because each centre has different sports, age slots and dates. The same programme name does not mean the same activity mix everywhere.

Location

Delta Sport Centre, Bedok, Jurong East Sport Centre and Sengkang Sport Centre
