

Clementiâ??s competition pool shuts from 11 November as ActiveSG lists closures to December

Description

Clementi Swimming Complex swaps one closed pool for another next week. Its training pool, shut since 14 September, is listed as closed until 10 November 2026, and the competition pool then closes from 11 November to 23 December 2026, according to ActiveSGâ??s facilities closure list, last updated on 1 November 2026.

Four ActiveSG pools have a section shut today, and five more closures are scheduled at pools, tracks and a sport centre between 11 November and 23 December. The list gives the same general reason for each: upgrading, maintenance, urgent repair or events.

Pools with a section shut now

- Clementi Swimming Complex, 520 Clementi Avenue 3: training pool closed 14 September to 10 November 2026.
- Jurong West Swimming Complex, 20 Jurong West Street 93: fun pool, water slide and lazy river closed 5 October to 6 November 2026.
- Katong Swimming Complex, 111 Wilkinson Road: competition pool closed 9 October to 18 December 2026.
- Jurong East Swimming Complex, 21 Jurong East Street 31: competition pool closed 5 April 2025 to 31 December 2026.

Each listing names the part of the complex affected, not the whole facility.

Closures coming in November and December

- Clementi Swimming Complex: competition pool closed 11 November to 23 December 2026.
- Home of Athletics, 8 Stadium Boulevard: whole facility closed on 13 November from 12pm to 5pm, then 14 and 15 November from 7am to 9.30pm.
- Home of Athletics: whole facility closed again from 20 to 22 November, 7am to 9.30pm.
- Serangoon Stadium, 33 Yio Chu Kang Road: whole facility closed 23 to 27 November, 7am to 5pm daily.

- Kallang Sport Centre, 8 Stadium Boulevard: whole facility closed on 1 December 2026.

Home of Athletics normally opens 4.30am to 5pm from Monday to Saturday and 4.30am to 9.30pm on Sunday, so the 13 November closure takes out the Friday afternoon. Serangoon Stadium normally runs 4.30am to 9.30pm daily, against a 7am to 5pm closure window from 23 to 27 November.

Weekly rest days differ by pool

The weekly maintenance day is not the same everywhere. Clementi and Jurong East close every Monday, while Katong and Jurong West close every Tuesday. If that day is a public holiday, the pool opens 8am to 9.30pm.

On other days all four run 8am to 9.30pm, with early lap sessions from 6.30am to 8am in the competition pool only. Those run on Tuesday, Thursday and Saturday at Clementi and Jurong East, and on Monday, Wednesday and Friday at Katong and Jurong West. That competition pool is the section listed as closed at Katong until 18 December, at Jurong East until 31 December and at Clementi from 11 November to 23 December.

Longer closures and same-day changes

Two facilities are shut for redevelopment: Clementi Stadium from 1 July 2026 to the second quarter of 2029, and Toa Payoh Sport Centre from 31 October 2023 to 2030.

Same-day closures may not reach the list in time, and outdoor facilities can close in bad weather, as they did during the October haze closures. Each sport centre posts last-minute changes on its own Facebook page. For school holiday plans, see our guide to December multi-sport registration.
