The Agoda DBS POSB November Mega Sale stacks an extra 15% off hotel bookings (capped at S$30) on top of Agodaâ??s up to 60% off, and it runs until 30 November 2026. There is also a weekly 50% off Sunday code capped at S$100, which has a few Sundays left this year. Both deals are only for DBS and POSB cardholders who book through Agodaâ??s dedicated links.

Agoda DBS POSB November Mega Sale: the key dates

DBS lists the sale in three stages. All dates below are 2026, and the upsized discounts refreshed from 1am Singapore time on 12 November.

- 12 to 15 November: VIP priority access, up to 60% off, for Agoda VIP users at Diamond, Platinum and Gold status
- 16 to 30 November: public access, up to 60% off, for all Agoda users
- 27 November: flash sale of up to 70% off for all Agoda users

The stay period is 12 November 2026 to 30 June 2027, so you can book now for a trip well into next year. Today is 18 November, which means the public window has about twelve days left.

How the extra 15% works, and its cap

The extra 15% is stackable on top of the hotelâ??s own markdown, but DBS caps it at S$30 per the terms on its page. Before 12 November the card discount was a baseline 7% off with no cap. If the 15% pool is fully redeemed, the offer reverts to that baseline 7% with no cap.

The sums are simple. A S$200 room is where the 15% maxes out at S$30, so a longer or pricier stay does not earn you more from this particular code. If you are booking a big family trip, split the booking across the dates or rooms only if Agodaâ??s rules allow it, and check before you pay.

Shiok Sundays: 50% off up to S$100

This is the bigger prize, if your fingers are fast. DBS/POSB Shiok Sundays gives 50% off hotel bookings capped at S$100, with a minimum spend of S$200. A fresh promo code appears on the booking page header every Sunday from 1am Singapore time, and it is fastest fingers first.

The promotion runs every Sunday from 25 January to 27 December 2026, with a stay period of 25 January 2026 to 30 June 2027. The remaining Sundays include 22 and 29 November, then 6, 13, 20 and 27 December. Book through www.agoda.com/dbssunday, and look for hotels tagged â??Coupon applicableâ?•. In the app, the label reads â??SGD 100 appliedâ?•, and the offer only works if you were sent into the app from that link, not from a direct app booking.

How to book step by step

1. Open www.agoda.com/dbs for the Mega Sale, or www.agoda.com/dbssunday for Shiok Sundays.
2. Search your dates and pick a hotel showing the discount tag.
3. At checkout, enter the weekly code if you are using Shiok Sundays.
4. Pay with an eligible DBS or POSB card.
