

AirAsia Announces 12 Million Promotional Seats for 130 Destinations

Description

AirAsia's popular FREE* Seats promotion is back to wrap up the year with a high-energy sale, offering 12 million discounted seats across 130+ destinations in its expansive network.

This campaign is a major step in driving travel demand for the first half of 2025, making trips more affordable and accessible for those eager to explore AirAsia's wide range of destinations. Score zero-dollar base fares from Singapore to Kuala Lumpur, Penang, and Ipoh, or book flights to Langkawi, Kota Kinabalu, Kuching, Phuket, Jakarta, and more starting from SGD69.

In celebration, AirAsia X is marking 17 years of travel adventures with a Big Sale on flights beyond Asia. Journey to cities like Nha Trang, Labuan Bajo, Kathmandu, Seoul, Almaty, and Hokkaido with a brief stopover in Kuala Lumpur or Bangkok (Don Mueang), with fares starting as low as SGD188** one-way. You can also upgrade to AAX's Premium Flatbed for added comfort, with fares from SGD238** one-way.

The banner features a vibrant red background. In the top left corner is the AirAsia logo. The central focus is the text 'BIG SALE' in large, white, 3D block letters, with a lit candle on top of the letter 'I'. Below this, a large, multi-layered cake with white frosting and colorful sprinkles is shown. To the left of the cake is a black and red AirAsia Premium Flatbed airplane seat. To the right is a red gift box with a white ribbon. A white banner at the bottom of the cake area contains the text '12 MILLION PROMO SEATS GUARANTEED'. The text 'CELEBRATING 17 YEARS OF AIRASIA X' is positioned above the bottom banner. On the right side, there is a vertical list of destination cities: 'FLY-T', 'Lab', 'Alm', and 'Kat'. Below this, the word 'TRAVE' is partially visible. A diagonal watermark reading 'default watermark' is overlaid across the center of the image.
