

APAC Food And Beverage Expo 2026 Runs At Singapore EXPO In August

Description

[APAC Food & Beverage Expo](#) gives Singapore readers a practical date-and-hall marker for the next EXPO visit, with the event running 21 to 23 August 2026 at Hall 6B.

The useful details are not complicated, but they matter if you are choosing between a quick weekday browse and a longer weekend trip: the event hours are 11am to 9pm, and the strongest fit is food shoppers who want one hall for packaged snacks, drinks, pantry buys and fair-only tastings.

Date, Hall And Hours

APAC Food & Beverage Expo is listed for 21 to 23 August 2026 at Hall 6B. The Singapore EXPO timing is 11am to 9pm, which makes it workable for a full-day visit or an evening stop after work depending on the event date you pick.

Because EXPO halls can host several large events in the same week, readers should use the named hall rather than only the venue name when arranging meet-ups, ride-hailing points or family plans.

- Event: APAC Food & Beverage Expo.
- Date window: 21 to 23 August 2026.
- Venue: Hall 6B.
- Hours: 11am to 9pm.

What It Is For

The food-fair format is useful for pantry stocking and discovery, especially when visitors can compare products across several booths in one walk.

It also sits on the same weekend as other EXPO activity, so readers should expect a busy venue precinct and plan transport accordingly.

- Best for groups who can split purchases and compare booth offers.
- Useful if you are looking for food gifts, freezer items or pantry products rather than a restaurant meal.

Planning Notes

Bring reusable bags and avoid arriving right before closing if you want time to sample, compare and queue. For food fairs, the practical question is whether the bundle size suits your household before the discount does.
