What free entry still costs

Walking the floor is free. Optional extras sit at the counters outside Hall 404 and at the back of the hall: the official goodie bag is **$25** (holo reusable bag, sticker sheet, stamp notebook, enamel pin, carabiner and acrylic clip). Pair a goodie bag with Artcade exclusive socks for **$6** a pair.

Photobooth, DIY and house rules

A Dollop x Artcade photobooth at the back of the hall offers a free session if you follow both Artcade and Dollop on Instagram and show the follows to staff. A free DIY bottle activity needs the event booklet collected at the entrance, with pages 10 to 12 completed, then redeemed at the Activity Corner. Stamp collecting runs across creator booths; bring a journal or use the notebook in the goodie bag.

Cosplay is allowed if outfits are family-friendly and safe for work: no overtly revealing costumes, no realistic or sharp weapon props, and no military cosplay. Livestreaming and filming need each bootherâ??s permission first. Last entry both days is 6.30pm.
