

Asia Cat Expo 2026 At Suntec: Cat Care, Competitions And Pet Entry Notes

Description

default watermark

Asia Cat Expo 2026 is a two-day Suntec event for cat owners, future adopters and anyone who wants a pet-focused weekend without turning it into a general pet fair.

The event runs on 27 and 28 June 2026 from 10am to 8pm at Suntec Convention Centre Halls 403, 404, 405 and 406.

What Visitors Can Expect

The organiser describes the expo as a feline-focused weekend with cat-themed products, competitions, exhibits, workshops and seminars on responsible ownership. It is built for discovery rather than only shopping.

Because Hobbies Fair runs across neighbouring Suntec halls on the same weekend, visitors should expect a busier-than-usual convention centre flow and plan arrival times around ticketing and entry queues.

The expo brings cat lovers, exhibitors and competitions into one Suntec weekend.

Pet Entry Notes

The eventâ??s FAQ notes that children under 12 may enter free with an accompanying adult. It also states that only pet cats are allowed, while other pets are not allowed.

If you are bringing a cat, think through crowd comfort, carrier arrangements and transport before buying tickets. A cat that dislikes noise or queues may be better left at home while you shop and attend sessions.
