It's a charming little town, and it's very beautiful in the morning. I love exploring in the early hours of the morning when it's quiet and the air crisp and cool.

And it makes photo taking so much easier without the crowd.

The famous Shuzenji Temple.

Nearby is a beautiful bamboo path called “Chikurin-no-Komichi.” It offers beautiful views of the bamboo garden without the crowds.

After breakfast, I took a final dip in the bath before checking out.

Onwards to Tokyo!
