

Avenged Sevenfold Singapore 2026: Indoor Stadium Ticket Guide

Description

Avenged Sevenfold returns to Singapore Indoor Stadium on 13 October 2026 as part of the Asia Tour 2026. The Kallang describes it as the band's first Singapore return in 11 years, with tickets listed from S\$128 to S\$258.

The ticketing path is BookMyShow, with Deathbat Club and Rewards Members sale from 6 April at 10am, artist presale from 6 April at 1pm and general sale from 7 April at 10am. For rock fans, that means the show is already in a planning window rather than a distant rumour.

Key Details

The event time is listed as 8pm, with doors opening at 6.30pm. The ticket purchase limit is eight per transaction. The Kallang also lists child and standing-area policies, including no admission for infants in arms and children below 12 years old, and standing-area restrictions for younger or shorter attendees.

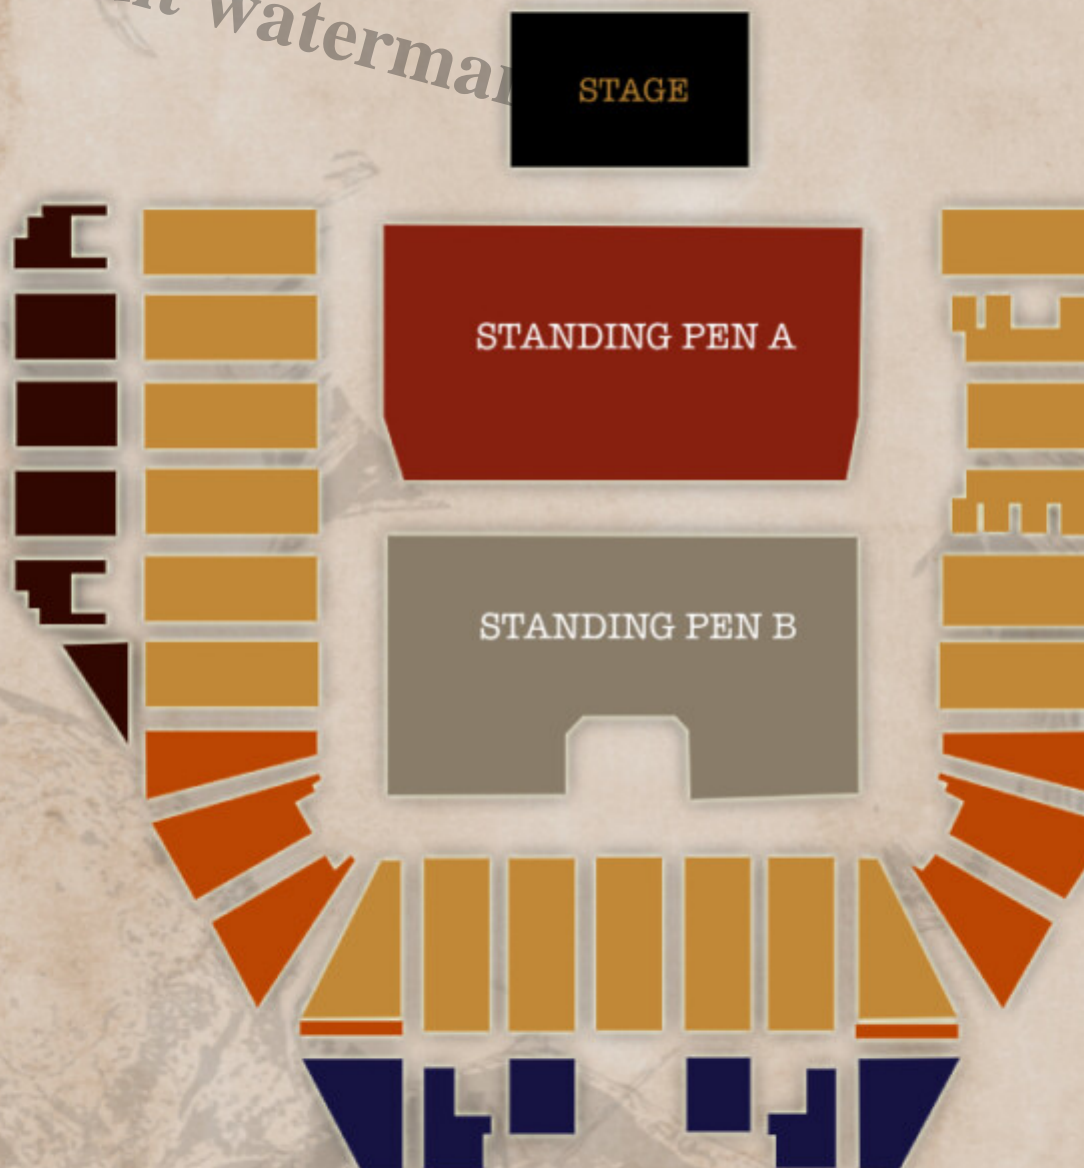

Those policies matter because this is a heavier rock show, not a general family concert. Fans aged 12 to 15 are permitted at their own discretion or under parental guidance, while the page advises the event for individuals aged 16 and above.
