

Free Baby Rave, Glow Slime & Mooncakes at This Mid-Autumn Family Night Out

Description

Forget the usual Friday night routine. This one comes with a Baby Rave, glow slime and mooncake making. On **Friday, 25 September 2026**, families can swap the ordinary for a free glow-in-the-dark Baby Rave and Mid-Autumn celebration at Little Paddington Preschool East Coast, where children aged three to six can dance to a live DJ, make mooncakes and lanterns, play with glow slime and explore five activity zones with their parents.

A glow-in-the-dark Friday night for families

Rather than simply watching the children take part, parents are invited to join in too, whether that means dancing together to nursery remixes, getting hands-on with sensory play, making mooncakes and lanterns, or taking a breather at the Moon Lounge. The evening is designed as a relaxed family outing where children and parents experience the activities side by side.

Guests will receive a holographic goodie bag containing glow sticks and glow-in-the-dark wearables such as glasses and headbands, while children can bring home their glow slime, art canvas and mooncake.
