

## Baby Shark Cabana Party Lands at Fairmont Singapore

### Description

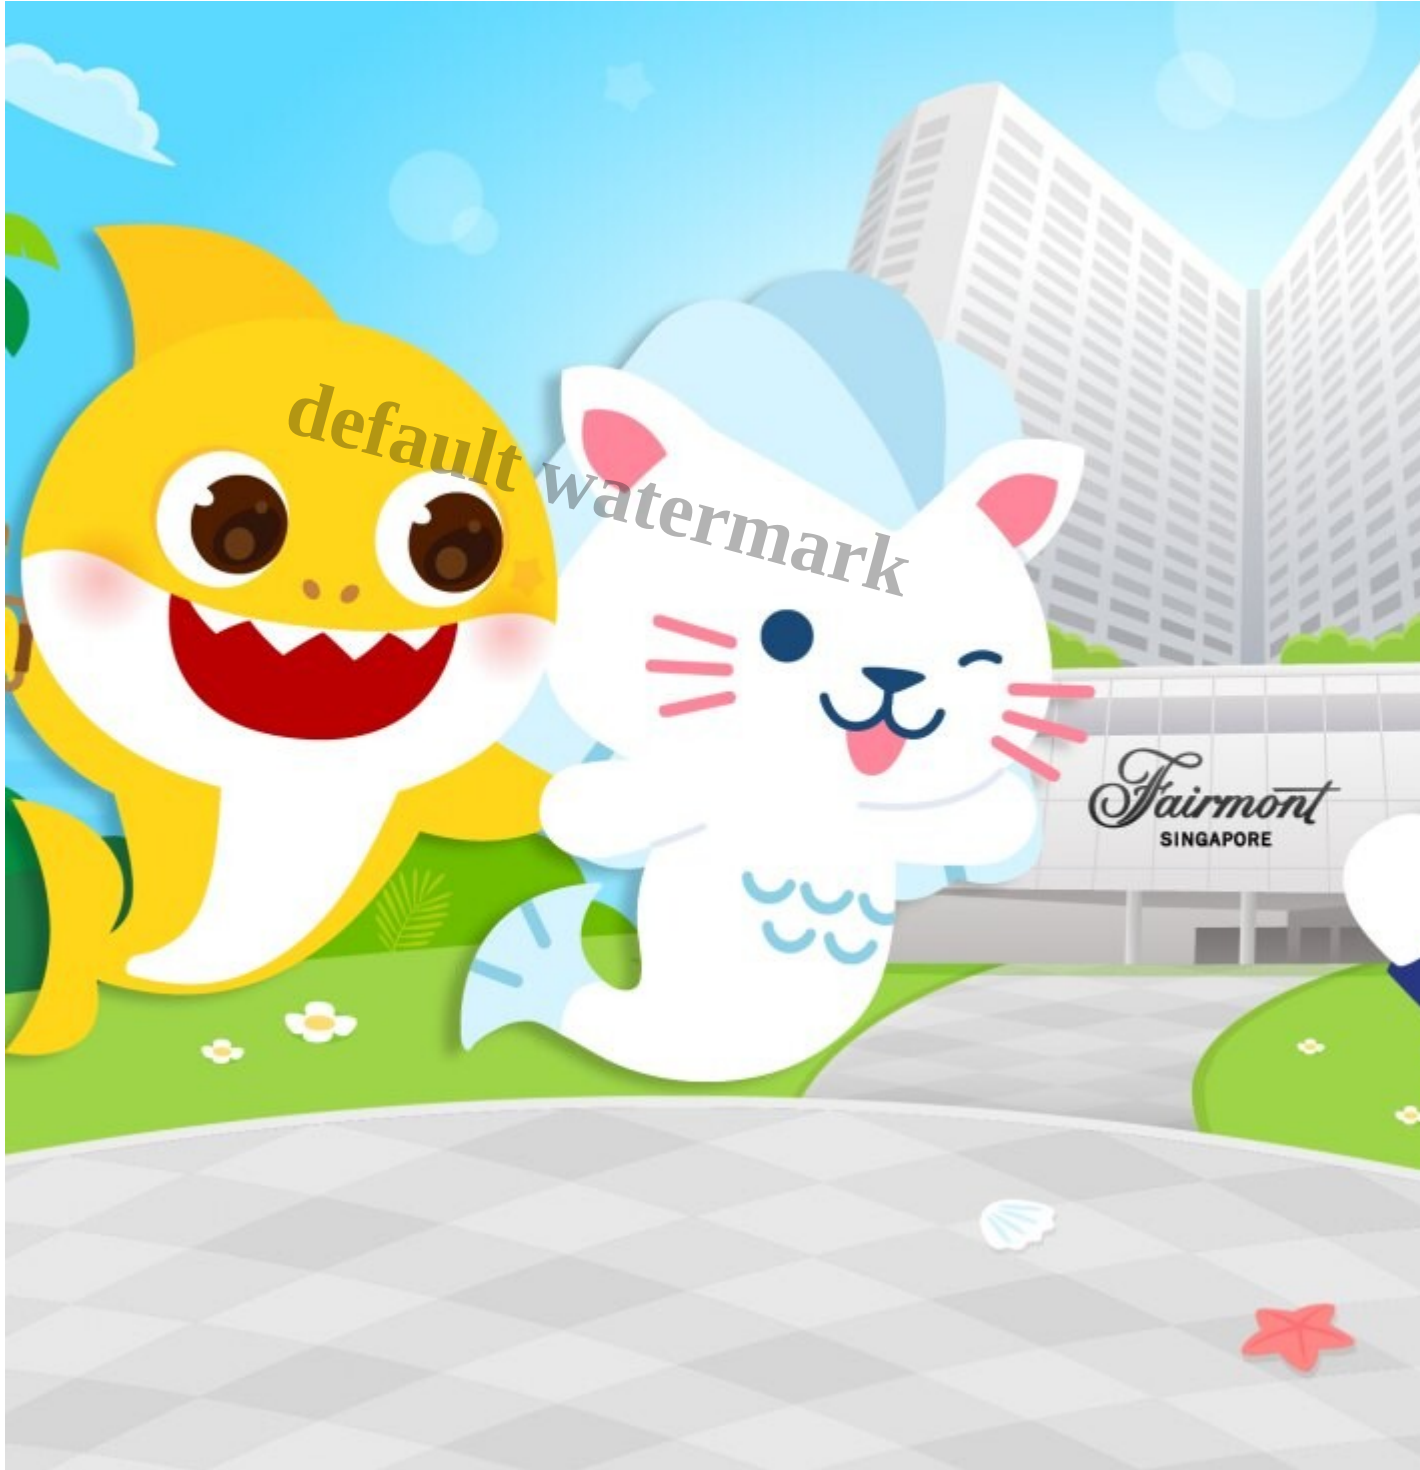

Fairmont Singapore is expanding its Singapore-first Baby Shark collaboration with a brand-new **Baby Shark Cabana Party Package**, turning its poolside cabanas into themed party spaces for children's birthdays and family celebrations. It is a fun, ready-made option for parents who want the fuss taken care of by the pool.

## What the Baby Shark Cabana Party Package includes

Available until 17 November 2026, the four-hour experience gives families exclusive use of a Baby Shark-themed cabana with pool access. At the heart of it is a hands-on cupcake decorating workshop led by the hotel's pastry chefs, so the little ones get to make (and eat) their own treats. Themed food and drinks round out the spread, and families can add optional Baby Shark mascot appearances for that extra squeal of delight.

Poolside fun with everyone's favourite shark pup. Image: Fairmont Singapore

## A day option to go with the staycation

The cabana party is a daytime experience that complements Fairmont Singapore's existing **Baby Shark Family Stay Package**. Families can now choose between a themed overnight staycation or a dedicated celebration by the pool, depending on the occasion and budget. It is a neat way to mark a birthday without turning the living room upside down.

**Good to know before you book**

The Cabana Party Package runs until 17 November 2026 at Fairmont Singapore. As with any promotion, exact pricing, cabana capacity, mascot-appearance dates and food options are best confirmed directly with the hotel when you enquire. Full details and reservations are on Fairmont Singapore's [official Baby Shark offer page](#).
