

BABYMONSTER CHOOM Singapore: Presales, Prices And Ticket Limits

Description

BABYMONSTER is bringing the 2026-27 BABYMONSTER World Tour CHOOM to Singapore Indoor Stadium on 28 November 2026 at 6pm. The Singapore sale window is already in motion, so fans need to line up presale access before general sale opens.

Ticketmaster Singapore lists multiple VIP, standing and seated categories, with separate limits by sale window. That makes this a planning exercise, not just a fastest-finger purchase.

Sale Dates And Limits

The MONSTIEZ membership presale ran on 8 June from 10am to 11.59pm, followed by Mastercard presale on 9 June from 10am to 11.59pm. Live Nation presale opens on 10 June from noon to 11.59pm, and general sale starts on 11 June at noon.

Ticket Prices To Compare

Booking fees are added by ticket price band: S\$10 for tickets above S\$301, S\$8 for S\$101 to S\$300, and S\$6 for S\$1 to S\$100. Factor that into the final checkout total, especially if buying multiple seats.

Age And Standing Rules

The event does not admit infants or children below three years old. Children under 12 must be accompanied by an adult, and anyone under 12 or below 1.2m is not allowed into standing pens.

That matters for family purchases because the cheapest available ticket is not always the right one. If younger fans are attending, seated categories are the safer route.
