

Bari Bari Grand runs opening 1-for-1 teppan and 30 per cent Zabuton through 5 September

## Description

Bari Bari Grand is running a grand-opening dining promotion through 5 September 2026 at The Capitol Kempinski, with 30 per cent off Miyazaki Wagyu Zabuton (150g) and 1-for-1 on selected teppan dishes. Capitol Singapore lists the offer at unit #01-82 for dine-in only from 1 to 5 September.

## What the 1-for-1 and 30 per cent cover

The 1-for-1 applies to Australian Angus Sirloin Steak, Wagyu Hamburg (2pcs), other Protein Teppans and Combo Teppans. Lobster and Lobster Combo dishes are excluded. The complimentary item must be of equal or lower value, while stocks last. The 30 per cent discount is limited to Miyazaki Wagyu Zabuton in the 150g cut.

Both mechanics are dine-in only. The mall listing does not extend the week of offers beyond 5 September, so Friday 4 September and Saturday 5 September are the last two days on the calendar.

## Where it sits and what comes with a teppan

Bari Bari Grand is at 15 Stamford Road, #01-82 Arcade @ The Capitol Kempinski, a short walk from City Hall MRT. Capitol's directory lists daily hours from 11am to 10pm. The brand's own Grand

page describes steaks served medium-rare with a house herb butter and a hot stone pellet so diners can finish doneness at the table.

Every teppan order includes access to the free-flow Japanese Gourmet Bar of salads, seasonal appetisers and desserts. Tel for the outlet is 6284 3788 on the brand site. Advance booking is the practical move for Friday and Saturday of the final promotion window, because the 1-for-1 and Zabuton discount are stock-limited.
