Bari Bari Steak is opening its fifth Singapore outlet at 313@Somerset with a four-day 1-for-1 teppan mains promotion from 15 to 18 September 2026. Every dine-in transaction also comes with a S\$10 return voucher for the next visit, subject to a S\$60 minimum spend.

What the 1-for-1 covers

Diners who order any main course receive a second main of equal or lower value at no extra charge. The promotion is dine-in only across the four opening days. The brand lists the return voucher on every transaction during the same window, redeemable on a later visit once the S\$60 minimum is met.

Where to go

The new outlet is at 313 Orchard Road, #B3-25/26/27, Singapore 238895, a short walk from Somerset MRT. The brand lists opening hours of 11am to 10pm daily and the outlet telephone as 6509 4473. Bari Bari Steak already trades at Tampines 1, Junction 8, VivoCity and Great World.

What comes with a main

Every main order includes free-flow access to the salad bar, Japanese white rice, soup and dessert under the brand's published format. Thick-cut steaks are served with iron pellets imported from Japan so diners can finish doneness at the table.

The 1-for-1 teppan window closes on 18 September 2026. Advance booking is the practical move for the opening stretch at 313@Somerset.
