

Beard Papa's Mochi Cream Puffs Are Now at 7-Eleven Singapore 2 for \$3.90

Description

Cream puff lovers, there's a new treat waiting for you at your nearest 7-Eleven. **Beard Papa's** has launched its all-new **Mochi Cream Puff** exclusively at 7-Eleven Singapore outlets islandwide and it's available now while stocks last.

What Is the Mochi Cream Puff?

The Mochi Cream Puff takes Beard Papa's signature creamy indulgence and wraps it in a delightfully chewy mochi-inspired shell a softer, chewier twist on the classic cream puff that fans know and love. It's designed for convenience lovers and dessert fans on the go, making it the perfect pick-me-up available right at your neighbourhood 7-Eleven.

Two Flavours to Choose From

The Mochi Cream Puff launches with two flavours:

- **Hokkaido Milk Strawberry Mochi Cream Puff** a fruity, creamy filling with a light strawberry sweetness
- **Hokkaido Milk Mochi Cream Puff** classic Hokkaido milk cream in a chewy mochi shell

Price and Availability

The Mochi Cream Puffs come in a **2-piece pack priced at \$3.90** making it an affordable dessert treat to grab on the go. They are available **exclusively at all 7-Eleven Singapore outlets islandwide from 20 May 2026**, while stocks last. As a limited launch, do get your hands on them before they sell out.
