

Beatlemania On Tour Singapore: Sands Theatre Guide For 15 And 16 May

Description

Beatlemania On Tour Singapore is the kind of tribute concert that works best when you already know the songs, but it does not require you to have grown up with The Beatles. The show is at Sands Theatre for 15 and 16 May 2026, with one Friday night performance and two Saturday performances.

The production is a theatrical recreation of the Beatles experience, complete with live performance, period-inspired costumes, replica instruments and familiar hits including *Hey Jude*, *Let It Be*, *Yellow Submarine*, *Yesterday* and *Here Comes the Sun*. The pitch is not a quiet listening-room tribute. It is a nostalgia-heavy theatre concert built for singing along.

Show Details

Marina Bay Sands does not allow outside food and drinks in the venue, and photography, filming, audio recording and live streaming are prohibited during the performance. Cameras with interchangeable or built-in zoom lenses and similar recording devices must be stored at the cloakroom.
