

Beatlemania On Tour Singapore: Sands Theatre Guide For 15 And 16 May

Description

Beatlemania On Tour Singapore is the kind of tribute concert that works best when you already know the songs, but it does not require you to have grown up with The Beatles. Marina Bay Sands lists the show at Sands Theatre for 15 and 16 May 2026, with one Friday night performance and two Saturday performances.

Beatlemania On Tour plays Sands Theatre on 15 and 16 May 2026.

The official show page describes the production as a theatrical recreation of the Beatles experience, complete with live performance, period-inspired costumes, replica instruments and familiar hits including *Hey Jude*, *Let It Be*, *Yellow Submarine*, *Yesterday* and *Here Comes the Sun*. The pitch is not a quiet listening-room tribute. It is a nostalgia-heavy theatre concert built for singing along.

Show Details

THE BEATLES BEATLEMAN On Tour CONCERT

The tribute concert recreates Beatles classics with period styling and live performance.

The dates are tight: Friday, 15 May at 8pm, and Saturday, 16 May at 3pm and 8pm. Marina Bay Sands lists the duration at approximately 125 minutes, including a 20-minute intermission, so dinner plans should be made before or after the show rather than squeezed into the break.

Tickets are listed from S\$58 to S\$158 before booking fees, with higher-priced Beatlemania VIP and VIP Box options including a post-show meet-and-greet. The show is in English and recommended for ages seven and above. Marina Bay Sands also states that children below seven will not be admitted, and all patrons need a valid ticket.

If you are choosing between the three sessions, the Friday 8pm show is best for an after-work crowd, while the Saturday 3pm show is easier for families or older relatives who do not want a late night. The Saturday 8pm show will probably feel more like a weekend night out.

Planning Notes

Doors open 60 minutes before the performance, and latecomers are admitted only at a suitable break. That matters at Sands Theatre because Bayfront can be busy with diners, shoppers and tourists even before a theatre crowd arrives. Build in time for the walk through The Shoppes if you are coming from the MRT.

Marina Bay Sands does not allow outside food and drinks in the venue, and photography, filming, audio recording and live streaming are prohibited during the performance. Cameras with interchangeable or built-in zoom lenses and similar recording devices must be stored at the cloakroom.

The venue is different, but the same habits help: arrive early, settle food first, keep the ticket ready and decide the post-show meeting point before the crowd starts moving.
