

Beats Solo 4 â?? JENNIE Special Edition Drops on Shopee Singapore Today: Hereâ??s What You Need to Know

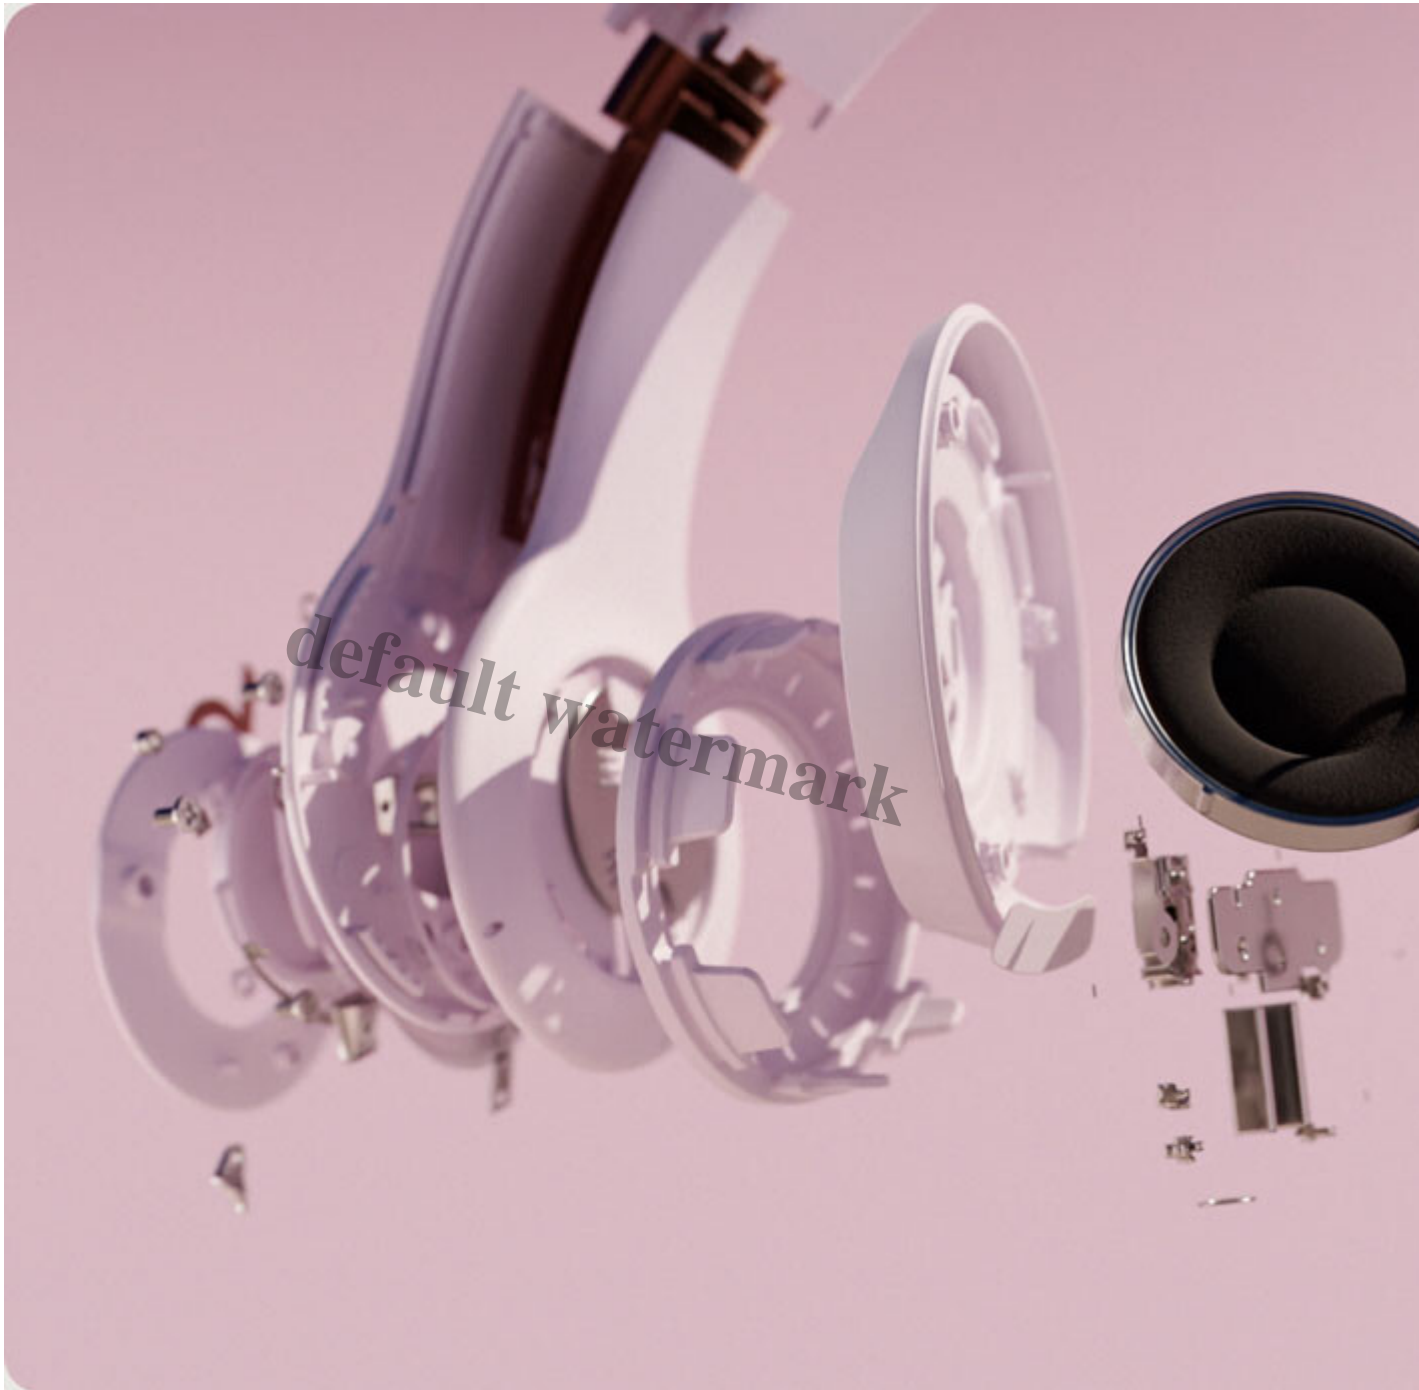

Description

JENNIE fans and audiophiles, listen up â?? the **Beats Solo 4 â?? JENNIE Special Edition** is finally here. Available exclusively on Shopee Singapore from today, **24 April 2026 at 9:00 AM SGT**, this highly anticipated drop marks the continuation of the iconic collaboration between global K-pop superstar JENNIE and Beats by Dre.

If you missed the sell-out Ruby Red edition from 2025, nowâ??s your chance to grab the new **Onyx Black** colourway â?? sleek, bold, and unmistakably JENNIE.

What Makes This Special Edition Stand Out

The Beats Solo 4 â?? JENNIE Special Edition takes the already impressive Solo 4 and elevates it with design elements drawn directly from JENNIEâ??s aesthetic and musical world:

The Beats Solo4 JENNIE Special Edition in Onyx Black is available exclusively on Shopee Singapore from 24 April 2026. Photo: Beats by Dre

- **Two attachable black bows** giving the headphones a playful, fashion-forward edge
- **One UltraPlush ear cushion** embellished with symbols directly inspired by JENNIE's music
- **A colour-matched carrying case** in sleek Onyx Black

Beneath the JENNIE styling sits all the premium tech you'd expect from Beats Solo4: up to 50 hours of battery life, Fast Fuel charging (10 minutes = 5 hours of playback), Personalized Spatial Audio with dynamic head tracking, lossless audio via USB-C, and Class 1 Bluetooth 5.3 for extended wireless range. It works seamlessly with both iOS and Android.

Shopee-Exclusive Perks

This launch also marks the debut of the **Beats Flagship Store on Shopee**, making it even easier for shoppers to access global Beats products. Here's what Shopee users can enjoy:

- **Price:** S\$269 for the Beats Solo 4 JENNIE Special Edition
- **Next Day Delivery** for orders placed before 2pm
- **0% instalment** for up to 12 months with selected cards

The Beats Solo 4 features UltraPlush ear cushions and an ultralight design elevated with JENNIE's signature touches in the Special Edition. Photo: Beats by Dre

A Collab Worth Collecting

This isn't the first time JENNIE and Beats have joined forces – she first starred in the 2024 Beats Solo Buds campaign, and the 2025 Ruby Red edition of the Beats Solo 4 – JENNIE sold out almost instantly in key markets worldwide. With limited quantities available, the Onyx Black edition is set to be just as coveted.

Head to the [Beats Flagship Store on Shopee](#) from 9am today to secure yours. Whether you're a collector, a JENNIE fan, or just someone who wants exceptional headphones with serious style, this drop is worth setting an alarm for.
