Tips for Shopping the BeautyFresh Warehouse Sale

Go early. The first day (Wednesday 23 April) tends to have the best selection. By the final day, popular items and sizes may be sold out. If you can take a weekday off, Wednesday or Thursday mornings will be your best bet for the widest range.

Make a wishlist. With over 120 brands on offer, it is easy to feel overwhelmed. Write down the products you have been eyeing and prioritise those first before browsing for impulse buys.

Check expiry dates. Warehouse sale items may have shorter shelf lives, so always check the expiry or period-after-opening dates on skincare and cosmetics before purchasing.

Bring your own bag. Save the hassle and be eco-friendly by bringing a reusable tote for your haul.

How to Get There

The warehouse is located at 1 Jalan Kilang, #04-03, Singapore 159402. The nearest MRT station is **Redhill MRT** (EW18), approximately a 10-minute walk away. There is limited parking available in the building, so public transport is recommended, especially during peak hours.
