Bed Bath Nâ?? Table Christmas 2026 is up on the brandâ??s Singapore site, and this yearâ??s lookbook, titled *The More the Merrier*, splits the season into three colour stories: Homestead, Luminance and Merry. Prices run from S$8.95 for a clear tumbler to S$419.99 for a 210cm pre-lit tree. You can shop online or walk into any of its four stores at Plaza Singapura, Great World, Parkway Parade and Suntec City.

If IKEAâ??s budget trees are not quite the look you want for the living room, this is the more styled, slightly atas alternative. Here is what each theme costs, and where the good-value pieces sit.

Bed Bath Nâ?? Table Christmas 2026: the three themes at a glance

- Homestead: deep greens, navy, earthy tones and texture. Think blueberry-and-bauble garlands, mirrored stars and woodland figurines.
- Luminance: blush pink, soft mint and champagne, with pearls, bows and frosted florals on a white flocked tree.
- Merry: the classic red, gold and greenery palette, with velvet, tartan and nutcrackers.

All three come with matching tree decorations, standalone decor and table pieces, so you can buy a full set or just pick up one garland to refresh last yearâ??s tree. The full range is on the official Christmas Lookbook 2026 page.

Homestead: the green-and-navy look

Homestead is built around the Cashmere Pre Lit Christmas Tree (210cm) at S$419.99, the most expensive tree in the lookbook. The Blueberry and Bauble Christmas Garland is S$99.99, with a matching wreath with bow at S$119.99. An 8-point mirrored star topper is S$36.99.

The small decor is where the prices get friendlier:

- Porcelain Santa Gnome, S$9.99 (small) or S$15.99 (large)
- Small Ceramic Glaze House in Juniper Green, S$12.99
- Sitting Resin Reindeer with Stars, S$22.99
- Velvet Bow Clips Decoration Set in navy, S$24.99
- Huckleberry Dinner Plate Set of 4, S$74.99, if you are hosting

A Musical Resin Spinning Nutcrackers piece (S$64.99) and a Polyresin LED Tree with Gifts (S$64.99) are the two showpieces for a console table.

Luminance: pink, mint and champagne

This is the one that will appeal to anyone who has had enough of red and green. The anchor is the Pre Lit 7ft Flocked Artificial Christmas Tree in white at S$399.99, dressed with the Magnolia and Bauble garland (S$89.99) and a matching wreath (also S$89.99).

Tree decorations in this range mostly fall between S$24.99 and S$66.99. A Pearl and Glitter Bow tree topper is S$29.99, Pearl and Bow stockings are S$36.99 each and the pink velvet bow clips set is S$24.99. For a small HDB living room, the Porcelain LED House with Bow (S$15.99 small, S$21.99 large) or a Snowy Bristle Tree in ice blue (S$24.99) gives you the look without committing to a 7ft tree.

There is also a Christmas Town House Advent Calendar at S$99.99. It is reusable, which makes the price easier to justify if you have kids counting down every year.

Merry: red, gold and a proper Christmas table

Merry is the traditional set. The Velvet Ruching Tree Skirt is S$89.99, the Capiz Star Glitter Tree Topper is S$49.99 and a box of 30mm red baubles is just S$15.99. Faux fur stockings with an embossed bow are S$36.99, and a Reindeer and Bird Countdown Til Christmas is S$24.99.

When I checked on 5 November, a couple of Merry items, including the burgundy hydrangea stems and the 1.8m Bauble and Velvet Bow Garland, already showed as out of stock online. If you have your heart set on a specific piece, buy early or call the store before making the trip.

Christmas bedding, pyjamas and tableware

Away from the tree, the novelty range covers the whole family. Highlights from the lookbook:

- Merry Christmas Embroidered Quilt Cover (queen), S$229.95
- Theo Christmas Bear or Snowflake Dogs quilt covers (queen), S$149.95
- Matching Christmas pyjamas, S$49.95 for kids and S$74.95 for adults
- Pawsitively Merry Novelty Pillowcase, S$19.99
- Jace Sherpa Throws in check, stripe, ditsy or gingham prints, S$79.95

For hosts, the Folklore embossed range starts at S$44.99 for a serving bowl, and the Cosette glassware runs from S$8.95 (tumbler) to S$36.95 (pitcher). Small gift-swap ideas under S$20 include the Metal Nutcracker Bottle Opener (S$15.99) and Reindeer Bottle Stopper (S$18.99).

Where to buy in Singapore

Bed Bath Nâ?? Table ships only within Singapore from its website, and the store locator lists four outlets:

- Plaza Singapura: Level 4, 68 Orchard Road (Dhoby Ghaut MRT)
- Great World: Level 2, 1 Kim Seng Promenade (Great World MRT)
- Parkway Parade: #B1-41/41A/42, 80 Marine Parade Road (Marine Parade MRT)
- Suntec City: #02-325/331/332, Atrium (Convention Centre), 3 Temasek Boulevard (Promenade or Esplanade MRT)

A fair warning for anyone carrying home a 7ft tree box: Suntec and Plaza Singapura both have car parks close to the stores, which beats lugging it on the MRT. Prices above are as listed online on 5 November 2026 and may change.
