How to Make the Most of These Deals

With so many 1-for-1 deals running simultaneously, a bit of planning goes a long way. Here are some practical tips:

Coordinate with friends or colleagues. Most 1-for-1 deals are designed for two people. A quick message in the group chat can turn an ordinary lunch break into a savings opportunity.

Check the fine print. Pay attention to valid days (Nandoâ??s is Tuesdays and Thursdays only), valid hours (Popeyes is 10pmâ??2am, Coffee Bean is 2pmâ??9pm), and outlet restrictions. Nothing is more disappointing than showing up to a deal that does not apply at your location.

Download the apps. Many chains like Luckin Coffee and Mr Coconut require you to order through their app to enjoy the promotion. Download them in advance to avoid fumbling at the counter.

Stack with credit card rewards. If you are paying by card, check if your bank offers additional dining cashback or rewards. Stacking a 1-for-1 deal with 5â??10% card rewards is the ultimate Singaporean

savings move.
