Tips for Getting the Most from This Week's Supermarket Deals

- **Plan your shopping list in advance.** The best deals sell out quickly, especially Buy 1 Free 1 promotions at Sheng Siong.
- **Check the apps.** Giant, Sheng Siong, FairPrice, and Cold Storage all have mobile apps with the latest digital catalogues and exclusive app-only deals.
- **Stock up on non-perishables.** When household products like laundry detergent, toilet paper, and canned goods are on deep discount, buy extra as these items do not expire quickly.
- **Compare unit prices.** A Buy 1 Free 1 deal is only good value if you were going to buy that item anyway. Compare unit prices across supermarkets before committing.
- **Use loyalty cards.** yuu Rewards (Cold Storage and Giant), FairPrice Link Points, and Sheng Siong's own promotions all reward regular shoppers. Make sure you are scanning your card on every visit.
