Getting there and getting home

Stadium MRT on the Circle Line is the only station with direct access. Exit A leads to Gates 1 to 5 and 18 to 23, and Exit B to the rest; both run up escalators to the Level 3 promenade, where gate signs take over.

Three other stations are within walking distance. Tanjong Rhu on the Thomson-East Coast Line is 12 minutes or 750m away from Exit 2. Mountbatten on the Circle Line and Kallang on the East-West Line are each 15 minutes or 900m away from Exit A. Traffic and station crowds run heavier than usual on event days.

Buses 10, 14, 16, 70 and 196 stop on Nicoll Highway outside the stadium (stop 80219) and opposite it (80211), both closer to Gates 8 to 19.

For rides home, Grab pick-up Point A is nearest Gates 8 to 23 and Point B is nearest Gates 1 to 7; both appear in the Grab app under "The Kallang", with bays A1 to A6 and B1 to B5. Taxi stands sit at Stadium Crescent (I28), Stadium Boulevard by OCBC Arena (I29) and Stadium Place by Kallang Wave Mall (I30).

The Kallang also runs a haze management policy that can change how events and outdoor activities operate when air quality worsens.
