Description

Black Friday is Friday, 27 November, but three Singapore retailers have already started, and their end dates are not the same. COURTS stops on 22 November, Castlery on 24 November and Secretlab at 2pm on 28 November. If a sofa, a desk chair or a new appliance is already on your list, the order you shop in matters more than the headline discount.

COURTS: 18 per cent off online, ends 22 November

COURTS runs a Pre-Black Friday Sale on courts.com.sg from 16 to 22 November. It takes 18 per cent off with no minimum spend, capped at S$120 per order, and only the first 500 redemptions get it. The first 200 purchases also come with a S$10 return voucher, good for S$10 off a later spend of at least S$50 at a COURTS store.

The exclusions are long, so read them before you fill a cart. The voucher does not apply to aircons, air purifiers, action cameras, drones, printers, TVs, limited sets, â??More Discountâ?• items or Online Exclusive Deals. It also leaves out Apple, Dyson, Fotile, Fujioh, Garmin, Microsoft, Nintendo, Osim,

Sony and Tableholic. It cannot be combined with other discount vouchers, and an order placed with it cannot be cancelled or changed afterwards.

Castlery: up to S$770 off by spend tier, ends 24 November

- S$250 off S$3,000
- S$550 off S$5,000
