

BOWS June 2026 Wedding Show: What Couples Can Plan At Marina Bay Sands

Description

BOWS June 2026 runs on 6 and 7 June at Marina Bay Sands Singapore Expo and Convention Centre, Level 1 Hall C, from 12pm to 9pm. The official page describes more than 80 participating vendors, which makes it useful for couples who need to compare venues, bridal services, photography, styling and related wedding suppliers in one place.

This sits naturally in the home-and-living calendar because many couples are planning a ceremony, banquet and future household budget at the same time. A wedding fair can save time, but it can also push quick decisions. Go in with a budget ceiling, a shortlist and a clear idea of what must be booked now versus what can wait.

What Is Listed

BOWS highlights a S\$50,000 cash rebate, S\$25,000 in lucky draw prizes, Blissful Flash Draw, Tiered Bliss Rewards and Couple of The Hour mechanics. Those rewards may be attractive, but they should not decide the package on their own. Couples should compare total price, inclusions, change terms and cancellation conditions before paying deposits.

The event is also useful for seeing vendor styles side by side. If you are comparing photography, gowns, styling or banquet packages, bring a shared checklist and take notes immediately after each conversation.

- Dates: 6 and 7 June 2026.

How Couples Should Use It

Split the visit into three passes. First, walk the hall to see what is available. Second, return to vendors that match your budget. Third, only discuss deposits after checking what is included, what is excluded and when decisions become binding.

Use the official [BOWS](#) site for RSVP and vendor details. For more planning coverage, browse our [Home & Living](#) section.

- Bring your wedding date range, guest-count estimate and budget ceiling.
- Ask whether quoted prices include GST, service charge and weekday or weekend differences.
- Do not let lucky-draw timing override package fit.
