

Brainy Car Rally 2026: Lamborghinis Roll Out for Brain Tumour Awareness on 31 October

Description

The **Brainy Car Rally 2026** returns on Saturday, 31 October 2026 after a four-year break, bringing a line-up of Lamborghinis and a community of brain tumour patients, survivors and caregivers together at Republic Polytechnic. Organised by the Brain Tumour Society Singapore (BTSS), the event marks International Brain Tumour Awareness Week under the theme Towards Empowerment and Hope.

Brainy Car Rally 2026: date, time and venue

The event runs from 10am to 1pm at Republic Polytechnic, South Agora (29 Woodlands Avenue 9, Singapore 737908). It ends with an official Lamborghini joyride flag-off at 1pm, when Lamborghini Club Singapore takes participating brain tumour patients on a drive from Republic Polytechnic to the NUHS Tower Block.

Programme highlights

Doors open at 10am with activity booths, Republic Polytechnic student music performances and photo opportunities with the cars. The Lamborghini Club Singapore grand entrance follows at 11.15am, then the BTSS President's address and a National Neuroscience Institute (NNI) clinical care discussion at 11.30am. A patient sharing session and group photo are scheduled for 11.45am, before the flag-off at 1pm.

BTSS President Melissa Lim and Dr David Low, Deputy CEO (Neurosurgery) at NNI, will speak about the clinical care coordinator programme, which supports patients beyond hospital visits.

Why this edition matters

BTSS is celebrating a S\$1 million fundraising milestone and its first appointment as a President's Challenge Awardee, receiving S\$210,000 over three years to support brain tumour patients. The rally is a chance to hear directly from patients and survivors and to meet the people supporting their journeys.

Media and members of the public who want to find out more can follow BTSS on Instagram, Facebook and TikTok. For more weekend ideas, see our [things to do this weekend](#) round-up. Event details and poster courtesy of the Brain Tumour Society Singapore.
