

BTS THE CITY ARIRANG Run at Sentosa: a 3km fun run on 12 December, S$50 until 21 November

### Description

default watermark

Sentosa is staging a 3km fun run along the Palawan beach path on Saturday 12 December, with BTS songs playing along the route and places for 5,000 runners. The BTS THE CITY ARIRANG Run is organised by Sentosa Development Corporation, and early-bird entries cost S$50 until 21 November. From 22 November to 11 December the price goes up to S$77. Flag-off is between 5.45pm and 6.10pm in staggered waves.

Visa cardholders get 5 per cent off run tickets when they pay with a Visa card.

## What your entry gets you

The race pack includes an event tee, a race bib, a wrist tag, a drawstring bag and a Santa hat. Entry also covers two Sentosa Island Admission entries, one for race pack collection and one for race day.

Finish the full 3km by 7.30pm and you collect a surprise gift at the finish line. The wrist tag is your pass to the post-run rave with DJ RAW from 7.30pm to 10.30pm, open only to registered runners. Non-running friends cannot get in.

## Who can enter

There is one category, the 3km fun run, and every runner must be 13 or older. Runners aged 13 to 17 need a parent or legal guardian to sign a consent form in person at race pack collection. Without it, the entry is cancelled with no refund.

You can buy up to five tickets per transaction, but each runnerâ??s name and details are needed at registration. The organiser states that wheelchair access is not supported at this event.

## Race day timings

- 3.30pm: doors open at Palawan Green
- 5.05pm: optional mass warm-up
- 5.15pm: start pen opens
- 5.45pm to 6.10pm: 3km flag-off in waves
- 6.40pm: end of the run
- 7.30pm to 10.30pm: post-run rave

The organiser advises arriving at least 90 minutes before flag-off. Comfortable running or walking shoes are a must, and runners are encouraged to wear the official run tee from the race pack.

## The route

The course starts beside The Palawan @ Sentosa and heads west along Beach View Road past Beach Station to a U-turn near Coastes. Runners then come back east along Palawan Beach to a second U-turn at the far end of Palawan Beach, below Capella, before finishing at Palawan Green. There are three hydration stations on the route, first-aid stations and roving medics, and a bag drop limited to the first 3,000 bags.

## Refunds and bad weather

Tickets are non-refundable and non-exchangeable, including if you cannot attend, arrive late or leave early. The terms also rule out refunds when the event is cancelled for reasons beyond the organiserâ??s control, which include haze and adverse weather. If Sentosa Development Corporation cancels for any other reason, it may refund at its discretion.

The run goes ahead rain or shine. Under a Category 1 lightning alert before the 5.45pm start, any cancellation of the run will be announced by 6.30pm, and runners will be moved to Beach Station or the Beach Station carpark.

## Race pack collection and getting there

Collect your pack at Palawan Green from 9 to 11 December, 11am to 8pm daily. Bring your confirmation email, photo ID and, if collecting for someone else, an authorisation letter. Packs are not mailed out, and anything not collected in that window, including the surprise gift, is forfeited.

Take the Sentosa Express from VivoCity, next to HarbourFront MRT, to Beach Station, then walk to Palawan Green. Bus 123 and the Sentosa intra-island Bus A and Bus B also stop at Beach Station, and the nearest carpark is Beach Station.
