

Built To Chill: free LEGO Christmas pop-up at KidsSTOP from 21 November to 3 January

Description

default watermark

Science Centre Singaporeâ??s Built To Chill is a free festive LEGO pop-up for children aged 18 months to 8 years, running from 21 November 2026 to 3 January 2027. It is open from 10am to 5pm in the KidsSTOP Lobby.

The theme is keeping cities cool. Children learn why cities get hot, then build their own answer to it.

Build cool. Think green. Make a change!

Celebrate Christmas at KidsSTOP™ with Built To Chill, a festive LEGO pop-up experience where little builders and discover how we can make our cities cooler and greener!

Designed for children aged 18 months to 8 years, this hands-on experience introduces young learners to clim urban cooling through playful exploration and creative LEGO building.

Discover Cool Ideas

Why do our cities get hot, and how can we help cool them down? Explore the ***Learning Zone*** to discover more change and simple cooling solutions that can help keep our cities comfortable and green.

Build a Cooler City

Put your ideas into action at our ***LEGO Building Zone***! Get creative on our large building platform and design y structures to help cool the city. Build shady spaces, add greenery, dream up cool buildings, or invent someth new. There's no limit to what our little builders can create.

Be Inspired by Young Creators

Take a look at artworks created by children from our past programmes and discover how other young minds a greener future. Let their creations inspire your next big idea.

Small Bricks, Big Ideas!

This Christmas, come learn, play, and build for change at KidsSTOP™. Every little idea can be the start of a co future.

What children do

There are three parts. A Learning Zone covers climate change and simple cooling solutions. A LEGO Building Zone has a large building platform where children design structures to cool a city: shady spaces, greenery, cool buildings or something new. A third display shows artworks made by children in past KidsSTOP programmes.

If you also go into the gallery

The gallery is a separate, pre-booked admission for a set date and time slot. Session A runs 10am to 1pm with last entry at 12.15pm. The gallery closes from 1pm to 2pm for disinfection, then Session B runs 2pm to 5pm with last entry at 4.15pm. KidsSTOP is open Tuesday to Sunday and closed on Mondays except public holidays and gazetted school holidays.

Weekends, public holidays and school holidays are peak days. At peak, Singapore citizens and permanent residents (who must show their NRIC) pay S$10 for a child aged 18 months to 8 years and S$5 for an adult. Standard rates are S$23 for a child and S$13 for an adult. Children under 18 months are free.
