The campaign opened on **24 August 2026**. The reward credits automatically into the CapitaStar app after a qualifying eCapitaVoucher spend and may take up to **seven working days**. Each member may redeem once per mall for the whole period. The S\$5 reward expires **93 days** from issue.

Fifteen malls, capped redemptions

Participating malls are Aperia Mall, Bedok Mall, Bugis+, Bugis Junction, CQ @ Clarke Quay, Funan, IMM, Junction 8, Lot One Shoppersâ?? Mall, Plaza Singapura / The Atrium @ Orchard, Raffles City, Sengkang Grand Mall, SingPost Centre, Tampines Mall and Westgate.

Redemption caps differ by mall: the first **300** at Aperia, Bugis+, Bedok Mall, CQ @ Clarke Quay, Lot One and Sengkang Grand; the first **750** at Bugis Junction, Funan, IMM, Junction 8, Raffles City, SingPost Centre, Tampines Mall and Westgate; and the first **1,050** combined at Plaza Singapura and The Atrium @ Orchard. CapitaLand says availability updates are not real-time.

What does not count

You need enough eCapitaVoucher already in the CapitaStar wallet before the spend. Transactions registered before **10am** do not qualify. Supermarkets are mostly out, with named exceptions such as Cold Storage and Thai Supermarket at Aperia, FairPrice Finest at Sengkang Grand, NTUC FairPrice at SingPost Centre, and Scarlett outlets at Lot One, Plaza Singapura, Westgate and Bugis+. Parking coupons, gift-card top-ups, SISTIC, bill payments, cinema F&B and several other categories are also excluded on the terms page.

The campaign ends **28 September 2026**.
