If you have been putting off that meat feast, the **Carnivore 1-for-1 buffet** is the lobang to jump on before it disappears. From now until 31 July 2026, DBS and POSB cardholders pay just \$89++ for two people at Carnivore Brazilian Churrascaria. That works out to roughly \$44.50++ each for free-flow grilled meats carved straight to your table. For an all-you-can-eat churrasco spread, that is genuinely shiok value.

This is a full rodizio experience, so servers keep bringing skewers until you tap out. The deal is dine-in only and each seating runs for 90 minutes. Reservations are required, and payment must be on a DBS or POSB card. With the promotion ending on 31 July 2026, queues and bookings are already tightening

up.

Carnivore 1-for-1 Buffet: What \$89++ Gets You

The buffet is built around Brazilian-style churrasco, where marinated meats are grilled on long skewers and sliced onto your plate. You flip a table token to green for more, or red when you need a breather. Alongside the meats, there is a spread of buffet sides to round out the meal. Here is what to look forward to:

- Free-flow grilled meats carved tableside, churrascaria-style
- A selection of buffet sides and accompaniments
- The signature green-and-red token service so you control the pace
- A 90-minute seating per table
