What The Carousel SG61 lobster buffet Includes

This is a full international buffet, not a stripped-down set. Every table gets access to fresh seafood, Asian favourites and Western mains from the live cooking stations. The headline draw is the National Day lobster, served alongside the usual Carousel seafood-on-ice spread.

- **Fresh lobster** as the National Day highlight dish
- Seafood on ice, including prawns and shellfish
- Live carving and cooking stations for hot mains
- Local and Asian favourites, plus a dessert counter

The kitchen is halal-certified, so the spread is suitable for Muslim diners and mixed groups. That makes Carousel one of the easier picks when your kakis have different dietary needs. Do note that lobster is subject to availability at each seating.
