Castlery has bumped up its 11.11 discounts, and this weekend you can collect them in person at Liat Towers. The Castlery 11.11 sale now takes up to S$900 off storewide until 23:59 on 11 November 2026, with no code needed. From Saturday, 7 November to Monday, 9 November, the Orchard flagship adds free homeware gifts, free Molly Tea and a draw for an LG OLED TV and soundbar.

I checked the tiers against Castleryâ??s promo terms and event page on 6 November 2026. If you are furnishing a new BTO or finally replacing a tired sofa, this is the week to do the maths.

Castlery 11.11 sale tiers from 5 to 11 November

The â??Upsizedâ?• tiers replaced the earlier 11.11 tiers on 5 November. The discount applies on its own at checkout once your cart crosses the threshold.

- S$120 off when you spend S$1,500
- S$300 off when you spend S$3,000
- S$650 off when you spend S$5,000
- S$900 off when you spend S$7,000

The minimum spend is counted before shipping, and Clearance and Final Markdown items count too. The tiers can be used with other discount codes or credit vouchers. Customisation Service orders, past purchases and out-of-stock items are excluded.

What the tiers look like on real prices

Many items are already marked down on the 11.11 sale page, so the tier comes on top of a sale price. Here is what I found on 6 November:

- Lena Chaise Sectional Sofa (Performance Multi Twill) at S$1,699, down from S$1,848. That crosses S$1,500, so you pay S$1,579.
- Mori Chaise Sectional Sofa (Performance Linen Weave) at S$3,009, down from S$3,268. That clears S$3,000, so it drops to S$2,709.
- Jonathan Extended Side Chaise Sectional Sofa at S$2,989, down from S$3,246. It sits S$11 short of the S$3,000 tier.
- Xander Leather Swivel Armchair at S$839, down from S$1,299.
- Cedric Linear Chandelier at S$239, down from S$399.

That Jonathan example is where you should be a bit kiasu. Add the S$239 Cedric chandelier and the cart reaches S$3,228, so the S$300 tier kicks in and you pay S$2,928, only S$59 more than the S$2,869 you would pay for the sofa alone. If you were buying a lamp anyway, buy it in the same checkout, because the tiers only apply to one checkout at a time.

In-store event at Liat Towers, 7 to 9 November

The 11.11 Sale Event runs at the Orchard Flagship from Saturday to Monday. Same tiers, plus a few extras for turning up:

- Free homeware gifts with purchase when you shop in store from 7 to 9 November, while they last (T&Cs apply)
- A free cup of Molly Tea from 11am to 3pm, with limited redemptions
- A draw for a 55-inch LG OLED evo AI C6 4K Smart TV with an S95TR soundbar, worth S$4,798, for guests who RSVP on the event page

Castlery has not posted the full giveaway rules or the draw date on the event page, so read the T&Cs when you RSVP. Signing up also adds you to its marketing newsletter.

Getting there: the showroom is at Liat Towers, 541 Orchard Road, #02/03-02, Singapore 238881. It opens 10am to 9pm daily and is about a seven-minute walk from Orchard MRT exit 11, or you can cut through Wheelock Place. There is parking in Liat Towers and at Angullia Park.

A few things to check before you pay

- Put everything in one checkout. The tier is worked out per checkout, so two separate orders of S$1,600 each get S$120 off twice instead of S$300 once.
- Count the sale price, not the original price. The threshold looks at what is in your cart before shipping.
- If you have Castlery credit vouchers or another discount code, the terms say the tiers can be used with them.
- Customised pieces through the Customisation Service do not qualify, so pick from the standard fabrics and finishes if you want the tier.

Sleeping on it? There is a mattress pop-up in the west

Castleryâ??s Sleep Easy pop-up is at Jurong Point, Level 1 Centre Stage, until 15 November, open 10am to 10pm. You can try the Ayrie mattresses and book a 15-minute Sleep Pod session, and the first 100 RSVP guests on each weekend day get a goodie bag.

Want to compare first? Castleryâ??s Tan France collection sale earlier this year gives you a sense of how low its prices usually go. For appliances and smaller home buys, the Courts Pre-11.11 sale ends on 8 November. And if you are in Orchard anyway, the Orchard Road Christmas light-up switches on on 17 November.
