

Cathay x DBS Wednesday flash: up to 50% off SIN round-trips, code CXDBSDEAL

Description

Cathay Pacific's Wednesday flash for DBS and POSB cardmembers returns on **Wednesday 23 September 2026**: up to **50% off** round-trip flights from Singapore, with the discount **capped at S\$200**. Use promo code **CXDBSDEAL** when you book on cathaypacific.com and pay with a DBS or POSB card.

The sale runs every Wednesday. Travel is open from now to **28 February 2027** on Cathay Pacific destinations departing Singapore. Redemptions are limited each Wednesday, so the deepest discount will not sit on every route or date. Fares include taxes and carrier-imposed surcharges and can change.

How to use the code

On a Wednesday, search a round-trip from Singapore, enter **CXDBSDEAL** at checkout, and pay with DBS or POSB. Party bookings above nine passengers need the local reservations office, and infant bookings need Customer Care after you hold the adult seats. If that Wednesday's limited redemptions are gone, the code will not apply until the next Wednesday.

Next window after Thursday 17 September is **Wed 23 September**. After that, the same weekly pattern continues through the published travel period to 28 February 2027.
