

Celebrate Mid-Autumn in Style: Tablescape at Grand Park City Hall Launches the Grand Heritage Mid-Autumn Collection

Description

If you are looking to gift something truly considered this Mid-Autumn season, Tablescape Restaurant & Bar at Grand Park City Hall has put together a collection that moves well beyond the standard mooncake box. **The Grand Heritage Mid-Autumn Collection** is a thoughtfully curated festive lineup that pairs timeless traditions with refined craftsmanship and contemporary flavours.

The Baked Mooncakes

Tablescapè’s reduced-sugar baked mooncakes come in two gift sets. The **4 Treasures Collection (Box of 4)** brings together all four of the restaurant’s signature flavours: Lotus Paste with Double Yolk, Lotus Paste with Single Yolk, White Lotus Paste Wu Ren, and Golden White Lotus Paste with Melon Seeds. For those drawn to the nuttier notes, the **Bountiful Harvest (Box of 4)** focuses on the White Lotus Paste Wu Ren and Golden White Lotus Paste with Melon Seeds.

Snowskin Durian Decadence

Durian devotees will want to look at the **Snowskin Durian Decadence (Box of 8)**, handcrafted by Head Chef Ethan Tang using premium Mao Shan Wang durian wrapped in delicate handmade snowskin. These are the sort of mooncakes that go fast once word spreads.

The Moonlit Dessert Garden Box

The standout of this year’s collection is the **Moonlit Dessert Garden Box** – Tablescapè’s signature Mid-Autumn creation and the one to consider if you are after something a little different. Rather than a traditional mooncake box, it presents an elegant assortment of handcrafted desserts and pastries alongside the restaurant’s Imperial Mao Shan Wang Mooncake. The lineup includes Golden

Osmanthus Bloom, Velvet Moon Caramel Noir, Apple Ã?clat, Praline Harmony, RosÃ?e LumiÃ?re and seasonal macarons. It is designed as a contemporary centrepiece for festive gatherings â?? refined, memorable, and a thoughtful alternative to the usual format.

The Grand Heritage Mid-Autumn Collection is available from Tablescape Restaurant & Bar at Grand Park City Hall. Follow their social channels or contact the restaurant directly for ordering details.
