Just two months ago, a new addition to this bustling neighbourhood was unveiled – Nanyang Street. This vibrant strip instantly captured the attention of food enthusiasts, transforming Austin Heights into an even more exciting dining haven. Among the many attractions of Nanyang Street, one that particularly stands out is CHADDEE ???. A tea cafe that effortlessly combines tradition with modernity, CHADDEE ?? promises an authentic tea experience that is both memorable and unique.

The café's exterior is a striking blend of traditional and contemporary aesthetics, seamlessly blending into the urban landscape of Austin Heights. As the sun sets, camping tables and chairs are pulled out onto the surrounding parking lots, offering guests a unique seating arrangement that blends the unique aesthetics of street dining with the bustling atmosphere of Taman Mount Austin.

Inside, guests are greeted with a warm, cozy atmosphere that strikes the perfect balance between comfort and sophistication. The café's design pays homage to the traditional tea culture while infusing it with contemporary elements that make CHADDEE ?? a unique tea destination.
