

Challenger runs Deepavali PC and monitor codes until 4 November as Lenovo tablets start at S$229

Description

default watermark

Challengerâ??s Deepavali Festive Deals codes take S$11 off selected monitors and S$30 or S$50 off selected PCs and notebooks on its online store until 5.59pm on 4 November, while six Lenovo tablets in its Lenovo 11.11 Sale sell from S$229. All three codes went live at 6pm on 2 November and run while stocks last.

The three Deepavali codes

DFD11 takes S$11 off selected monitors with a minimum spend of S$299. DFD30 takes S$30 off selected PCs and notebooks with a minimum spend of S$1,299, and DFD50 takes S$50 off the same group with a minimum spend of S$1,899.

Challenger does not name the models that count as selected. Orders placed with a promotional code, or for an advertised limited set, cannot be cancelled or amended once the order acknowledgement email arrives, and the storeâ??s existing online terms apply on top.

Lenovo tablet prices

default watermark

Six tablets are in the Lenovo 11.11 Sale, each at a sale price below its usual price:
